AN/"Amminex" AND Soborg

PAT. NO.	Title
1 9,889,403	Solid ammonia storage and delivery material
2 9,400,064	Method and device for ammonia storage and delivery using in-situ re-saturation of a delivery unit
3 9,079,779	Connected heat conducting structures in solid ammonia storage systems
4 9,010,091	System for storing ammonia in and releasing ammonia from a storage material and method for storing and releasing ammonia
5 8,951,437	Connected heat conducting structures in solid ammonia storage systems
6 8,931,262	Method and device for controlling effective heat transfer in a solid gas storage system
7 8,916,493	Additives for highly compacted ammonia storage materials
8 8,869,514	Method and device for controlled dosing of a gas with fluctuating supply pressure
9 8,834,603	Method for determining the degree of saturation of solid ammonia storage materials in containers
10 8,680,006	Saturation of ammonia storage materials in containers
11 8,578,702	Method of storing and delivering ammonia and the use of electromagnetic radiation for desorption of ammonia from a chemical complex
12 8,551,219	Method for storing and delivering ammonia from solid storage materials using a vacuum pump
13 8,491,842	Release of stored ammonia at start-up
14 8,473,226	Method of determining the filling level of a solid ammonia storage medium in an ammonia storage container
15 8,449,857	Method for saturating and re-saturating ammonia storage material in containers
16 8,084,008	Production of saturated ammonia storage materials
17 7,964,163	High density storage of ammonia
