Our Solutions

Our quality-cost navigation solution

Bluebook's Fair PriceSM + Provider Quality

Healthcare data like no other

Bluebook's story begins with a simple green-yellow-red color-coded system, a quality and cost navigation tool that makes it easy for enrolled members to identify Fair Price providers and compare quality rankings.

Bolstered by *Quantros provider quality data*, Bluebook now owns the most powerful healthcare quality and cost dataset in the United States, and the only one of its kind in the industry.
