Members' Responsibilities Statement

The Members are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law, as applied to LLPs, requires the Members to prepare Financial Statements for each financial year. Under that law the Members have elected to prepare the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 102. Under that law the Members must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of its profit or loss for that period.

In preparing those Financial Statements, the Members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business, in which case there should be supporting assumptions or qualifications as necessary.

The Members confirm that they have complied with the above requirements in preparing the Financial Statements.

The Members are responsible for keeping proper accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the Financial Statements comply with the Companies Act 2006, as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as each of the Members is aware, there is no relevant and material audit information of which the LLP's auditors are unaware; and they have taken all the steps that they ought to have taken as Members in order to make them aware of any relevant audit information and to establish that the LLP's auditors are aware of that information.

Independent Auditors' Report to the Members of Exponent Private Equity LLP

Opinion

We have audited the financial statements of Exponent Private Equity LLP (the "LLP") for the year ended 31 March 2020, which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Cash Flows, the Statement of Changes in Equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the LLP's affairs as at 31 March 2020 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applied to limited liability partnerships by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the LLP in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the LLP's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The members are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditors' Report to the Members of Exponent Private Equity LLP (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006, as applied to limited liability partnerships, requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of members

As explained more fully in the Members' responsibilities statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

Use of our report

This report is made solely to the LLP's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, as applied by Part 12 of The Limited Liability Partnerships (Accounts and Audit) (Applications of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the LLP's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements
For the year ended 31 March 2020

1 General information

The LLP is based in the United Kingdom and has its registered office at 30 Broadwick Street, London, W1F 8JB.

Principal activities

The principal activity of the LLP is to provide portfolio management services to Exponent Private Equity Partners, LP, Exponent Private Equity Partners II, LP, Exponent Private Equity Partners III, LP and Exponent Private Equity Partners IV, LP as well as services to other related entities. The provision of advisory services relates to investments in venture capital.

The LLP is authorised by the Financial Conduct Authority ("FCA") to carry out Investment Management activities.

2 Basis of preparation

The Financial Statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' ('FRS 102'), Companies Act 2006 as applied by LLPs and the Statement of Recommended Practice (SORP), Accounting by Limited Liability Partnerships, issued in December 2018. The Financial Statements have been prepared on an historical cost basis except for the modification to a fair value basis for certain financial instruments as specified in the accounting policies below.

Going concern

The LLP has a satisfactory capital position and as a consequence the Members believe that the LLP is well placed to manage its business risks successfully. The Members have prepared a forecast for the year ahead and based on this have a reasonable expectation that the LLP has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the Financial Statements.

3 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Financial Statements:

Turnover

The turnover comprises of management and advisory services provided during the period, exclusive of value added tax, and are recognised over the period which services are provided.

Taxation

Taxation of the profits of the LLP is the individual liability of the Members of the LLP. No taxation is therefore provided for in these Financial Statements.

Fixed assets and depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is calculated to write down the cost less estimated residual value of all tangible fixed assets, other than freehold land, over their expected useful lives, using the straight-line method. The rates applicable are:

Notes to the Financial Statements (continued)
For the year ended 31 March 2020

3 Accounting policies (continued)

Fixed assets and depreciation (continued)

Leasehold improvements	- 10.00% per annum
Furniture and fixtures	- 20.00% per annum
I.T. infrastructure	- 20.00% per annum
Office equipment	- 33.33% per annum

Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Impairment of assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount.

If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the Statement of Comprehensive Income.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Comprehensive Income.

Leases

The LLP has not entered into any finance leases. Rental charges arising on operating leases are charged to the Statement of Comprehensive Income on a straight-line basis over the life of the lease. The aggregate benefit of lease incentives is recognised as a reduction to the expense recognised over the lease term on a straight-line basis.

Rental income arising on operating subleases constitutes Other Operating Income in the Statement of Comprehensive Income and is recognised over the life of the sublease term on a straight-line basis.

Members' remuneration and allocation of profit

Members' remuneration charged as an expense represents Member's non-discretionary entitlement to profits. A Members' discretionary share in the profit or loss for the year is accounted for as an allocation of profits. Unallocated profits or losses are included within 'other reserves'.

Members' capital

Where the LLP has a contractual obligation to deliver cash or another financial asset to the Member, the capital is treated as debt. Where the LLP has an unconditional right to avoid delivering cash or other financial assets to a Member in respect of such amounts, it is treated as equity.

All amounts due to Members that are classified as liabilities are presented in the Statement of Financial Position within 'Loans and other debts due to Members'. Amounts due to Members that are classified as equity are shown in the Statement of Financial Position within 'Members' other interests'.

Debtors

Short term debtors are measured at the transaction price, less any impairment.

3 Accounting policies (continued)

Creditors

Short term creditors are measured at the transaction price. Long term loans are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Functional currency and presentation currency

The Financial Statements are presented in sterling (£), which is also the LLP's functional currency.

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rates. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Comprehensive Income.

Foreign exchange gains and losses are presented in the Statement of Comprehensive Income within 'Administrative expenses'.

4 Turnover

The LLP's turnover is derived from its principal activity of providing portfolio management services to Exponent Private Equity Partners, LP, Exponent Private Equity Partners II, LP, Exponent Private Equity Partners III, LP and Exponent Private Equity Partners IV, LP as well as services to other related entities. The provision of advisory services relates to investments in venture capital. All turnover arose within the United Kingdom.

5 Other operating income

Other operating income represents rental income derived from a sublease of a non-cancellable operating lease disclosed in note 14 of the Financial Statements.
