## **Directors' Report**

---

### **Company registration**

BAE Systems Integrated System Technologies Limited (the "Company") is a private company, limited by shares and registered in England and Wales with the registered number 03456325.

The Company is a member of the BAE Systems plc Group ("BAE Systems Group" or "Group") of companies.

### **Results and dividends**

The Company's profit for the financial year is £3,730k (2021: £9,495k loss). The directors do not propose a dividend for 2022 (2021: £nil).

### **Business review and principal activities**

The principal activity of the Company is the leasing of property, which it expects to continue to do for the foreseeable future. The profit in the year has been driven by a £4,114k investment property impairment reversal. The impairment reversal has arisen by securing increased rentals for the Frimley site in the future.

### **Going concern**

The financial statements have been prepared on the going concern basis, notwithstanding net current liabilities of £407,022k, which the directors believe to be appropriate for the following reasons. The Company is dependent for its working capital on funds provided to it by BAE Systems plc, the Company's ultimate parent. BAE Systems plc has indicated that, for at least 12 months from the date of approval of these financial statements, it will continue to make available funds as are needed by the Company to meet its liabilities as they fall due and in particular will not seek repayment of amounts currently made available.

### **Directors and their interests**

The directors who served throughout the year and up to the date of this Directors' Report, unless otherwise stated, were as follows:

D E Bristow (resigned 31 August 2022)  
R Checkley  
J E Fothergill  
D J Mitchard (resigned 30 September 2022)  
S W Jamieson (appointed 01 October 2022)  
R M Peagram (appointed 31 August 2022)

The Board is not aware of any contract of significance in relation to the Company in which any director has, or has had, a material interest.

### **Small companies exemption**

Pursuant to Section 414(B) of the Companies Act 2006, the Company has taken advantage of the exemption from presenting a Strategic Report.

**Directors' Report (continued)**

**Post balance sheet events**

Following approval by the business in June 2023, BAE Systems Integrated System Technologies Limited intends to vary the lease for the Frimley building following negotiation with the landlord which is expected to result in a reduction in the future lease payments, the anticipated effective date of the agreement is July 2023.

Management's best estimates at the date of approval of the financial statements of the resulting impact on the Lease Liability/Investment Property (RoU) is a decrease of (£9.6m).

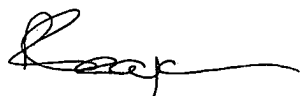

**Disclosure of information to auditor**

The directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

**Auditor**

The auditor, Deloitte LLP, has indicated its willingness to continue in office and, in accordance with Section 487(2) of the Companies Act 2006, has been re-appointed.

**Approved by the Board and signed on its behalf by:**

**Directors' Responsibilities Statement**

---

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework".

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent Auditor's Report to the Members of BAE Systems Integrated System Technologies Limited**

---

### **Report on the audit of the financial statements**

#### **Opinion**

In our opinion the financial statements of BAE Systems Integrated System Technologies Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the Income Statement and Statement of Comprehensive Income;
- the Balance Sheet;
- the Statement of Changes in Equity;
- the Statement of Accounting Policies; and
- the related notes 1 to 17.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the "FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

---

---

**Independent Auditor's Report to the Members of BAE Systems Integrated System Technologies Limited (continued)**

---

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the company's industry and its control environment, and reviewed the company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included the UK Companies Act 2006 and the Corporation Tax Act 2010; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

---

---

**Independent Auditor's Report to the Members of BAE Systems Integrated System Technologies Limited (continued)**

---

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management, internal audit and in-house legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance and reviewing internal audit reports.

**Report on other legal and regulatory requirements**

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

**Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit;
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.
- the directors' report has been prepared in accordance with applicable legal requirements.

We have nothing to report in respect of these matters.

**Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Notes to the Financial Statements**

---

### **1. General information**

BAE Systems Integrated System Technologies Limited is a private company, limited by shares, and registered in England and Wales and incorporated in the United Kingdom. Its ultimate controlling party is disclosed in note 17. The address of the Company's registered office is shown on page 2.

The principal activity of the Company is set out in the Directors' Report on page 1. These financial statements, which have been prepared in accordance with the Companies Act 2006, are presented in pounds sterling and, unless otherwise stated, rounded to the nearest thousand.

### **2. Accounting policies**

#### **2.1 Basis of preparation**

These financial statements were prepared in accordance with FRS 101 "Reduced Disclosure Framework". The Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards ("IFRS") and International Accounting Standards ("IAS"), but makes amendments where necessary in order to comply with the Companies Act 2006, and has set out below where advantage of the FRS 101 disclosure exemptions has been taken:

- the requirements of IFRS 7 Financial Instruments: Disclosures;
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement;
- the requirements of paragraph 52, the second sentence of paragraph 89, and paragraphs 90, 91 and 93 of IFRS 16 Leases. The requirements of paragraph 58 of IFRS 16, provided that the disclosure of details in indebtedness relating to amounts payable after 5 years required by company law is presented separately for lease liabilities and other liabilities, and in total;
- the requirement in paragraph 38 of IAS 1 Presentation of Financial Statements to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1 Presentation of Financial Statements;
  - paragraph 73(e) of IAS 16 Property, Plant and Equipment;
  - paragraph 118(e) of IAS 38 Intangible Assets;
  - paragraphs 76 and 79(d) of IAS 40 Investment Property; and
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 Presentation of Financial Statements;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures;
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member; and
- the requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d)-134(f) and 135(c)-135(e) of IAS 36 Impairment of Assets.

## **Notes to the Financial Statements**

---

### **2. Accounting policies (continued)**

#### **2.1 Basis of preparation (continued)**

The Company intends to continue to prepare its financial statements in accordance with FRS 101.

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of relevant financial assets and financial liabilities (including derivative instruments).

These financial statements have been prepared using the going concern basis of accounting. As discussed in the Director's Report (page 1).

#### **Key sources of estimation uncertainty**

There were no significant accounting policies that are considered by the directors to contain key sources of estimation uncertainty.

#### **Critical accounting judgments**

In the course of preparing the financial statements, no judgements have been made in the process of applying the Company's accounting policies, other than those involving estimates, that have had a significant effect on the amounts recognised in the financial statements.

#### **Changes in accounting policies**

Several standards, interpretations and amendments to existing standards became effective on 1 January 2022, none of which had a material impact on the Company.

The following standards, interpretations and amendments to existing standards became effective on 1 January 2022 and have not had a material impact on the Company:

- Amendments to IFRS 3: Business Combinations, effective from 1 January 2022;
- Amendments to IAS 16: Property, Plant and Equipment, effective from 1 January 2022;
- Amendments to IAS 37: Provisions, Contingent Liabilities and Contingent Assets, effective from 1 January 2022; and
- Annual Improvements to IFRS Accounting Standards 2018-2020 Cycle, effective from 1 January 2022.

The following other standards, interpretations and amendments to existing standards have been issued but were not mandatory for accounting periods beginning on 1 January 2022. These are expected to be endorsed by the UK Endorsement Board and are not expected to have a material impact on the Company:

- IFRS 17 Insurance Contracts, effective from 1 January 2023;
- Amendments to IFRS 17: Insurance Contracts, effective from 1 January 2023;
- Amendments to IAS 1: Presentation of Financial Statements, effective from 1 January 2024;
- Amendments to IAS 8: Accounting Policies, Changes in Accounting Estimates and Errors, effective from 1 January 2023;
- Amendments to IAS 12: Income Taxes, effective from 1 January 2023; and
- Amendment to FRS 101 reduced disclosure framework, effective from 1 January 2023;

#### **Significant accounting policies**

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented, unless otherwise stated. The directors believe that the financial statements reflect appropriate judgements and estimates, and provide a true and fair view of the Company's financial performance and position.

## **Notes to the Financial Statements**

---

### **2. Accounting policies (continued)**

#### **2.2 Leases**

##### *The Company as lessee*

All leases in which the Company is lessee (except as noted below) are recognised as a right-of-use asset and a corresponding lease liability at the date at which the leased asset is available for use by the Company. Each lease payment is allocated between repayment of the lease liability and finance cost. The finance cost is charged to the Income Statement over the lease term to produce a constant periodic rate of interest on the lease liability. The right-of-use asset is depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

The lease liability is initially measured as the present value of future lease payments, discounted using the interest rate implicit in the lease. Where this rate is not determinable, the Company's incremental borrowing rate is used, which is the interest rate the Company would have to pay to borrow the amount necessary to obtain an asset of similar value, in a similar economic environment with similar terms and conditions.

The right-of-use asset is initially measured at cost, comprising the initial value of the lease liability, any lease payments made (net of any incentives received from the lessor) before the commencement of the lease, any initial direct costs and any restoration costs.

The carrying amounts of the Company's right-of-use assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment.

Payments in respect of short-term leases, low-value leases and leases of intangible assets are charged to the Income Statement on a straight-line basis over the lease term.

##### *The Company as lessor*

Leases in which the Company is lessor are classified as finance leases or operating leases. If the lease transfers substantially all of the risks and rewards of ownership to the lessee, the lease is classified as a finance lease. All other leases are classified as operating leases.

Lease income under operating leases is recognised in the Income Statement on a straight-line basis over the lease term.

Amounts due from lessees under finance leases are recognised as a receivable discounted at the interest rate implicit in the lease. Finance lease income is recognised in the Income Statement over the lease term to produce a constant periodic rate of interest on the receivable.

#### **2.3 Interest income and borrowing costs**

Interest income and borrowing costs are recognised in the Income Statement in the period in which they are incurred.

**Notes to the Financial Statements**

---

**2. Accounting policies (continued)**

**2.4 Investment property**

*Cost*

Land and buildings that are leased to BAE Systems plc Group or non-BAE Systems plc Group entities are classified as investment property. The Company measures investment property at its cost less accumulated depreciation and impairment losses.

*Depreciation*

Depreciation is provided, on a straight-line basis, to write off the cost of investment property over its estimated useful life of up to 50 years.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each Balance Sheet date.

*Impairment*

The carrying amounts of the Company's investment property are reviewed at each Balance Sheet date to determine whether there is any indication of impairment.

**2.5 Other receivables**

Other receivables are stated at their cost less provision for bad debts. A provision for bad debt is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables.

**2.6 Other payables**

Other payables are stated at amortised cost.

**2.7 Provisions**

A provision is recognised in the Balance Sheet when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and the amount has been reliably estimated. If the effect is material, provisions are determined by discounting the expected future cash flows at an appropriate pre-tax discount rate.

*Other*

Other provisions are for dilapidations on properties.

## **Notes to the Financial Statements**

---

### **2. Accounting policies (continued)**

#### **2.8 Tax**

Tax expense comprises current and deferred tax. Current and deferred tax is recognised in profit or loss except to the extent that it relates to a business combination or items recognised directly in equity or other comprehensive income.

##### *Current tax*

Current tax is the expected tax payable or receivable on the taxable profit or loss for the year, using tax rates enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

##### *Deferred tax*

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for temporary differences:

- on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss;
- related to investments in subsidiaries and equity accounted investments to the extent that it is probable that they will not reverse in the foreseeable future; and
- arising on the initial recognition of goodwill.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority and they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

**7. Employees**

The Company has no employees (2021: nil).

None of the directors received any emoluments from the Company during the year. All directors who served during the year were employed by BAE Systems plc or through other group companies and were remunerated through those companies. The directors did not provide any material qualifying services to the Company.

**8. Tax**

The Company has not provided for current tax for the year as any taxable profits will be covered by the surrender of losses from fellow group companies, in respect of which no payment will be made.

**Reconciliation of tax result**

The following reconciles the expected tax (expense)/income, using the UK corporation tax rate, to the reported tax result:

	<b>2022</b>	<b>2021</b>
