Part I Summary

1 Briefly describe the organization's mission or most significant activities:

The Open Source Geospatial Foundation, or OSGeo, is a not-for-profit organization whose mission is to support the collaborative development of open source geospatial software, and promote its widespread use. The foundation provides financial, organizational and legal support to the broader open source geospatial community. It also serves as an independent legal entity to which community members can contribute code, funding and other resources, secure in the knowledge that their contributions will be maintained for public benefit. OSGeo also serves as an outreach and advocacy organization for the open source geospatial community, and provides a common forum and shared infrastructure for improving cross-project collaboration.

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

The Open Source Geospatial Foundation, or OSGeo, is a not-for-profit organization whose mission is to support the collaborative development of open source geospatial software, and promote its widespread use. The foundation provides financial, organizational and legal support to the broader open source geospatial community. It also serves as an independent legal entity to which community members can contribute code, funding and other resources, secure in the knowledge that their contributions will be maintained for public benefit. OSGeo also serves as an outreach and advocacy organization for the open source geospatial community, and provides a common forum and shared infrastructure for improving cross-project collaboration.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ **111,031** including grants of \$) (Revenue \$ **27,990**)

The following more detailed goals support the overall mission: To provide resources for foundation projects - eg. infrastructure, funding, legal. To promote freely available geodata - free software is useless without data. To promote the use of open source software in the geospatial industry (not just foundation software) - eg. PR, training, outreach. To encourage the implementation of open standards and standards-based interoperability in foundation projects. To ensure a high degree of

quality in foundation projects in order to build and preserve the foundation "brand". To make foundation and related software more accessible to end users - eg. binary "stack" builds, cross package documentation. To provide support for the use of OSGeo software in education via curriculum development, outreach, and support. To encourage communication and cooperation between OSGeo communities on different language (eg. Java/C/Python) and operating system (eg. Win32, Unix, MacOS) platforms. To support use and contribution to foundation projects from the worldwide community through internationalization of software and community outreach. To operate an annual OSGeo Conference, possibly in cooperation with related efforts (eg. EOGE0). To award the Sol Katz award for service to the OSGeo community.
