Group Strategic Report
for the Year Ended 30 September 2022

The directors present their strategic report of the company and the group for the year ended 30 September 2022.

REVIEW OF BUSINESS

The group's principal activity during the year continued to be the design and manufacture of electronic systems for the automotive, motorsport and satellite receiver industries. Investment was also made into more research and market development for our unique indoor positioning systems in new sectors such as motion pictures, TV production and sports broadcasting.

Unfortunately, this increase in demand also created new challenges in the form of electronic component shortages and supply chain issues.

Despite this our outlook for the next financial year remains positive and our diverse range of products, along with our wide geographic sales spread should see us continue to grow and expand our market reach .

Usually we consider our key financial performance indicators are those that communicate the financial performance and strength of the company. These indicators are revenue, gross profit margins and net profits. All three of these indicators improved over the period with sales revenues up 14%, gross profit up by 15% and net profit before tax increased by £163,490 (4%).

Stock values increased to £4,119,612 (2021 - £ 2,815,054) to support this growth.

Now that sales have returned to pre-pandemic levels the group has entered the new financial year in a strong and stable position. On this basis it is considered appropriate to prepare the accounts on an ongoing basis.

PRINCIPAL RISKS AND UNCERTAINTIES

All comments regarding future plans reflect the knowledge and information available to the directors as at the date of this report and may be subject to the effect of unforeseen events outside of their control.

Global outlook

The long-term effect of the COVID-19 pandemic are still being felt with global supply chain issues and electronic component shortages having a significant impact on trading. The war in Ukraine will also have long term consequences for global trade as Russia and Ukraine are key suppliers and refiners of the precious metals and inert gases used in the production of electronics.

Rising inflation and increased cost of borrowing within the Western economies did not seem to reduce the global demand for new cars and trucks - fuelled in part by the global switch to electric vehicles.

Customers

Our strength remains in our diversity with the combination of innovative solutions for different markets and a wide geographic spread providing resilience to local lockdown issues and component shortages. This year also saw significant growth in the sales of our indoor positioning system (VIPS) with several large customers installing a VIPS solution.

Suppliers

Our largest supplier continued to work at full capacity during the year and worked closely with us to navigate the issues around the supply chain. This often meant the forward purchasing of key components to ensure supply. All our global suppliers of electronics continue to report demand outstripping supply which means that we will often have to modify a

design to accommodate an alternative part or redesign a product to take an alternative part. We continue to work closely with our largest suppliers to mitigate this and reduce the risk to production wherever possible.

PRINCIPAL RISKS AND UNCERTAINTIES

Staff

Following the pandemic we have retained a hybrid working model with production, administration and customer support staff working in the office and software developers and engineers working from home for at least part of the time. This has allowed us to recruit new skills from further afield and meet the changing expectations of the UK work force around work life balance. Headcount also increased during the year in response to the need for more engineers and software developers.

We anticipate that the forecast increases in inflation and the cost of living will put some pressure on salaries in the coming year.

Systems

A major project has been started to replace our existing accounting systems with an easier to use and more powerful Enterprise Resource Planning system. This cloud based system will likely go live in late 2023 and will not only provide a platform for a more streamlined workflow it will also integrate more readily with our other key applications. The development costs should not have any material impact on cashflow.

Cashflow

Whilst cash reserves remain healthy the board are conscious that the requirement to secure scarce components and the rising cost of these components will have an impact on future cashflow. We will continue to be prudent in our management of cash and the timing of any dividend payments to mitigate this.

RESEARCH AND DEVELOPMENT

The next year will see us launch new variants of our flagship VB3i data logger product that specifically targets the Adaptive Safety market along with updates to our combined GNSS and Inertial products. New updates to our LabSat GNSS testing solutions and a virtual production specific version of our indoor positioning systems will also be launched.

The group will continue to invest in research and development and intends to continue to diversify outside of its traditional automotive and motorsport sectors into new and emerging markets.

ON BEHALF OF THE BOARD:

G R Mackie - Director

27 September 2023

Report of the Directors
for the Year Ended 30 September 2022

The directors present their report with the financial statements of the company and the group for the year ended 30 September 2022.

DIVIDENDS

During the year the following interim dividends were paid:

06/01/2022 - £750,000

21/04/2022 - £1,250,000

28/07/2022 - £250,000

The directors recommend that no final dividend be paid on either the Ordinary or B Ordinary shares.

The total distribution of dividends for the year ended 30 September 2022 will be £2,250,000. £2,131,174 on Ordinary shares and £118,826 on B Ordinary shares.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 October 2021 to the date of this report.

J A D Thomas
H F Thuillier
C P Smith
K Bursnall
Mrs A J Clifton
G R Mackie
I M Jones

Other changes in directors holding office are as follows:

M C Papps - appointed 1 December 2021

DISCLOSURE IN THE STRATEGIC REPORT

Future developments and details of research and development as required under Schedule 7 of the Companies Act 2006 to be disclosed in the Directors' Report are set out in the Strategic Report in accordance with section 414(C) of the Companies Act 2006.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Group Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

Report of the Directors
for the Year Ended 30 September 2022

STATEMENT OF DIRECTORS' RESPONSIBILITIES - continued

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

AUDITORS

The auditors, NB Consulting Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

G R Mackie - Director

27 September 2023

Opinion

We have audited the financial statements of Racelogic Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 30 September 2022 which comprise the Consolidated Income Statement, Consolidated Other Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement and Notes to the Consolidated Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 30 September 2022 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information in the Group Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on pages four and five, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company. The most significant which are directly relevant to the specific assertions in the financial statements are those related to the financial reporting frameworks (UK Generally Accepted Accounting Practice, the Companies Act 2006) and the relevant tax compliance regulations in the jurisdiction in which the company operates;
- We enquired of management, whether they are aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud;
- We assessed the susceptibility of the entity's financial statements to material misstatement, including how fraud might occur;
- We performed audit work considering the risk of management override of controls which included testing of unusual or unexpected journal entries on a sample basis, evaluating the business rationale of significant transactions identified outside the normal course of business and reviewing accounting estimates for bias;
- We reviewed the financial statements and tested the disclosures against supporting documentation.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities including those leading to material misstatement in the financial statements or non-compliance with regulation. The risk increases the more that a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance.

The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Page 16

1. **STATUTORY INFORMATION**

Racelogic Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Basis of consolidation

The consolidated accounts incorporate the financial statements of Racelogic Limited and its subsidiary undertakings as at 30 September 2022 using the acquisition method of accounting.

Significant judgements and estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that the actual outcomes could differ from those estimates. The estimates and assumptions are reviewed on an ongoing basis. Any revisions to estimates are recognised in the period of the revision and future periods if applicable.

There are not considered to be any key sources of estimation uncertainty that have a significant effect on the amounts recognised in either the Group or company financial statements.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Revenue is recognised when the significant risks and rewards of ownership have been passed to the buyer, the Group retains no continuing involvement or control over the goods and it is probable that the future economic benefit of the goods will flow to the entity.

Tangible fixed assets

Tangible assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes the original purchase price and costs directly attributable to bringing the asset to its working condition for its intended use.

Depreciation is provided on all fixed assets other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold property - 2.5% straight line
Plant and machinery - 33.3% straight line

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Page 17

continued...

2. **ACCOUNTING POLICIES - continued**

Stocks

Stock is valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items.

Cost is based on a first-in, first out basis and includes an addition for labour and overheads where appropriate.

Net realisable value is based on estimated selling price less any further costs expected to be incurred on disposal.

When stocks are sold the carrying amount of these stocks is recognised as an expense in the period in which the related revenue is recognised. The amount of any allowance for obsolete or slow moving items is recognised as an expense in the period in which the write-down or loss occurs.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Company

The company's functional and presentational currency is pounds sterling.

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Group

The Group financial statements are presented in pounds sterling. The assets and liabilities of overseas subsidiary undertakings are translated into the presentational currency at the rate of exchange ruling at the balance sheet date. Income and expenses are translated at an average rate. All resulting exchange differences are recognised in other comprehensive income. Non-monetary items that are measured at historic cost are not retranslated.

Notes to the Consolidated Financial Statements - continued
for the Year Ended 30 September 2022

2. **ACCOUNTING POLICIES - continued**

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The group operates a defined contribution pension scheme. Contributions payable to the group's pension scheme are charged to profit or loss in the period to which they relate.

Investments in subsidiaries

Investment in a subsidiary is held at cost less accumulated impairment losses. All intra-group transactions, balances, income and expenses are eliminated in full on consolidation.

Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts, when applicable, are shown within borrowings in current liabilities.

3. **TURNOVER**

The turnover and profit before taxation are attributable to the one principal activity of the group.

An analysis of turnover by geographical market is given below:

	30.9.22	30.9.21
	£	£
United Kingdom	1,642,754	2,095,321
Europe	4,828,747	4,191,850
Asia	7,301,134	5,985,493
Americas	6,307,113	5,184,424
Rest of world	365,057	540,922
	<u>20,444,805</u>	<u>17,998,010</u>

4. **OTHER OPERATING INCOME**

	30.9.22	30.9.21
	£	£
Government grants	<u>-</u>	<u>97,545</u>

The group received government payroll support grants in response to the covid-19 pandemic during the year to 30 September 2021.

5. **EMPLOYEES AND DIRECTORS**

	30.9.22	30.9.21
	£	£
Wages and salaries	4,286,163	3,752,997
Social security costs	370,118	292,080
Other pension costs	168,611	128,291
	<u>4,824,892</u>	<u>4,173,368</u>

Page 19

Notes to the Consolidated Financial Statements - continued
for the Year Ended 30 September 2022

5. **EMPLOYEES AND DIRECTORS - continued**

The average number of employees during the year was as follows:

	30.9.22	30.9.21
Administration	16	13
Development	63	61
Distribution	8	6
Manufacturing	12	12
Sales	12	10
	<u>111</u>	<u>102</u>
	30.9.22	30.9.21
	£	£
Directors' remuneration	743,954	616,333
Directors' pension contributions to money purchase schemes	<u>30,290</u>	<u>25,747</u>

The number of directors to whom retirement benefits were accruing was as follows:

Money purchase schemes	<u>6</u>	<u>5</u>
------------------------	----------	----------

Information regarding the highest paid director is as follows:

	30.9.22	30.9.21
	£	£
Emoluments etc	181,136	190,529
Pension contributions to money purchase schemes	<u>2,657</u>	<u>2,592</u>

6. **OPERATING PROFIT**

The operating profit is stated after charging/(crediting):

	30.9.22	30.9.21
	£	£
Other operating leases	124,429	89,079
Depreciation - owned assets	242,073	247,153
Loss/(profit) on disposal of fixed assets	1,333	(318)
Auditors' remuneration	10,000	10,000
Foreign exchange differences	<u>(113,245)</u>	<u>97,608</u>

Page 20

Notes to the Consolidated Financial Statements - continued
for the Year Ended 30 September 2022

7. **TAXATION**

Analysis of the tax charge

The tax charge on the profit for the year was as follows:

	30.9.22	30.9.21
	£	£
Current tax:		
UK corporation tax	156,130	199,142
Overseas taxation	114,579	77,796
Total current tax	<u>270,709</u>	<u>276,938</u>
Deferred tax	8,000	9,000
Tax on profit	<u>278,709</u>	<u>285,938</u>

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is lower than the standard rate of corporation tax in the UK. The difference is explained below:

	30.9.22	30.9.21
	£	£
Profit before tax	<u>4,164,487</u>	<u>4,000,997</u>
Profit multiplied by the standard rate of corporation tax in the UK of 19 % (2021 - 19 %)	791,253	760,189
Effects of:		
Expenses not deductible for tax purposes	-	4
Capital allowances in excess of depreciation	(2,039)	-
Depreciation in excess of capital allowances	-	5,374
Research and development enhanced deduction	(548,523)	(459,960)
Other reconciling items	(231)	(153)
Overseas tax differences	30,249	(28,516)
Deferred tax	8,000	9,000
Total tax charge	<u>278,709</u>	<u>285,938</u>

Tax effects relating to effects of other comprehensive income

	30.9.22		30.9.21
	Gross	Tax	Net
	£	£	£
Currency translation differences	<u>99,006</u>	<u>-</u>	<u>99,006</u>
