Delivering Wherever You Are

Your operations are located around the globe. So are our teams. Multinational clients rely on Diversified to deploy and support enterprise solutions worldwide through our global locations, network operations centers and a network of 200+ PSNI Global Alliance technology partners serving 60+ countries.

This vetted network of global technology partners and integrators provides additional service and support worldwide to assure that you get service delivered the way you want it—including in your own language and according to the rules, regulations and requirements of your location.

PSNI is a global alliance of top integrators, manufacturers, distributors and service partners. Our network helps magnify each member's capabilities and expands the services they can provide. Clients can enjoy a wide variety of standardized solutions and support no matter where they are in the world.

power of the PSNI alliance, you can even keep your local or regional PSNI technology partners while receiving global support.

PSNI's global reach also assures that you get service delivered the way you want it—including in your own language and according to the rules, regulations and requirements of your location. The PSNI Global Alliance expands and improves your options for AV integration and support no matter where you are—and no matter what you need.

Our mission is to leverage our collective talents, knowledge, and experience to deliver professionalism, high standards of excellence, and new value to the end-user all the time.

Chris Miller, Executive Director of PSNI Global Alliance

Concept to Completion & Beyond

Our comprehensive suite of solutions is engineered to help our clients build connections that make a difference and create experiences that are unforgettable – whether by inspiring viewers, engaging associates, motivating audiences, or streamlining and safeguarding operations.

When selecting a partner to help propel you to somewhere new, trust someone you know has been where you want to go. Diversified has built a team comprised of the industry's best – a healthy mix of accomplished end users, visionaries, realists, engineers, craftsmen, and artists. Our goal is to provide you with a seamless experience that elevates your company and maximizes your ROI.
