### Fastställelseintyg

Undertecknad styrelseledamot i Glenair Nordic AB intygar att resultaträkningen och balansräkningen i årsredovisningen har fastställts på årsstämma den 4 mars 2022. Årsstämman beslutade att godkänna styrelsens förslag till resultatdisposition.

Jag intygar också att innehållet i årsredovisningen och revisionsberättelsen stämmer överens med originalen.

# Årsredovisning

för

## **Glenair Nordic AB**

556480-0380

Räkenskapsåret

2020-10-01 – 2021-09-30

Styrelsen och verkställande direktören för Glenair Nordic AB avger följande årsredovisning för räkenskapsåret 2020-10-01 – 2021-09-30.

## Förvaltningsberättelse

### Information om verksamheten

Glenair Nordic AB bedriver försäljning av förbindningskomponenter och tillhörande lösningar för Mission kritiska applikationer på den nordiska marknaden. Bolaget säte är i Stockholms län, Solna Kommun. Fokusmarknader är Mil/Aero, Kärnkraft, Rymd och Olja/Gas.

Medelantalet anställda uppgår till 15 (15) personer.

Då bolaget köper och säljer i utländsk valuta påverkas resultatet av kursförändringar. Netto exponeringen varierar över tiden gentemot olika valutor. Inköp och försäljning sker främst i GBP, EUR och USD.

Företaget har sitt säte i Solna.

### Förväntad framtida utveckling samt väsentliga risker och osäkerhetsfaktorer

Glenairs huvudmarknader inom flyg/försvar/rymd växer både lokalt och i ett globalt perspektiv, vilket innebär fler och större möjliga projekt för Glenair. Vi bedömer att det är rimligt att räkna med en genomsnittlig tillväxt överstigande 10% per år under de kommande fem åren.

Vårt fokus på kunder som kräver och önskar support gällande konstruktion, projektledning, samt produktutveckling ger oss möjligheter att vara unika i jämförelse med våra konkurrenter eftersom vår affärsmodell bygger på närhet till kunden med lokala tekniker och ingenjörer. Vi bedömer därför att tillväxten ska kunna ske med tillfredsställande lönsamhet framdeles.

Bolagets verksamhet är beroende av konjunkturutvecklingen och av politiska beslut som kan påverka bolagets verksamhetsområden. En betydande del av inköp och försäljning sker i utländsk valuta varför bolaget är exponerat för valutarisker.

Kreditrisk innebär att en part i en transaktion inte kan fullgöra sina åtaganden, och därigenom orsaka den andra parten en förlust. Risken för att kunder inte betalar i levererade produkter begränsas genom regelbunden kreditprövning.

Teknisk utveckling kan innebära ökad konkurrens som försämrar lönsamheten och att värdet av inneliggande lager kan påverkas negativt.

Utgifter för produktansvar och reklamationer har historiskt varit mycket låga men kan innebära en risk för utflöde av ekonomiska resurser.

Flerårsöversikt (Tkr)	2020/21	2019/20	2018/19	2017/18	2016/17
Nettoomsättning	166 661	173 873	137 149	106 647	98 548
Resultat efter finansiella poster	22 499	22 226	16 584	3 400	78
Soliditet (%)	56	62	60	56	54

För definitioner av nyckeltal, se Redovisnings- och värderingsprinciper.

2022031610130

### Förändring av eget kapital

	Aktie- kapital	Reserv- fond	Balanserat resultat	Årets resultat	Totalt
Belopp vid årets ingång	100 000	20 000	38 237 670	13 946 821	52 304 491
Disposition enligt beslut av årets årsstämma:			13 946 821	-13 946 821	0
Utdelning på extra stämma			-25 200 000		-25 200 000
Årets resultat				14 676 235	14 676 235
<b>Belopp vid årets utgång</b>	<b>100 000</b>	<b>20 000</b>	<b>26 984 491</b>	<b>14 676 235</b>	<b>41 780 726</b>

### Förslag till vinstdisposition

Styrelsen föreslår att till förfogande stående vinstmedel (kronor):

balanserad vinst	26 984 491
årets vinst	14 676 235
	<b>41 660 726</b>
disponeras så att till aktieägare utdelas (35 597,80 kronor per aktie) i ny räkning överföres	35 597 800
	6 062 926
	<b>41 660 726</b>

Styrelsen föreslås bemyndigas att besluta om tidpunkt då utdelningen skall betalas.

Styrelsen anser att förslaget är förenligt med försiktighetsregeln i 17 kap. 3 § aktiebolagslagen enligt följande redogörelse: Styrelsens uppfattning är att vinstutdelningen är försvarlig med hänsyn till de krav verksamhetens art, omfattning och risk ställer på storleken på det egna kapitalet, bolagets konsolideringsbehov, likviditet och ställning i övrigt.

Företagets resultat och ställning i övrigt framgår av efterföljande resultat- och balansräkning samt kassaflödesanalys med noter.

## Noter

### Not 1 Redovisnings- och värderingsprinciper

#### Allmänna upplysningar

Årsredovisningen är upprättad i enlighet med årsredovisningslagen och BFNAR 2012:1 Årsredovisning och koncernredovisning (K3).

Fordringar och skulder i utländsk valuta har värderats till balansdagens kurs. Kursvinster och kursförluster på rörelsefordringar och rörelseskulder redovisas i rörelseresultatet medan kursvinster och kursförluster på finansiella fordringar och skulder redovisas som finansiella poster.

Redovisningsprinciperna är oförändrade jämfört med föregående år.

#### Intäktsredovisning

Intäkter har tagits upp till verkligt värde av vad som erhållits eller kommer att erhållas och redovisas i den omfattning det är sannolikt att de ekonomiska fördelarna kommer att tillgodogöras bolaget och intäkterna kan beräknas på ett tillförlitligt sätt.

Vid försäljning av varor redovisas normalt inkomsten som intäkt när de väsentliga förmåner och risker som är förknippade med ägandet av varan har överförts från företaget till köparen i enlighet med försäljningsvillkoren.

#### Redovisningsprinciper för enskilda balansposter

##### Anläggningstillgångar

Immateriella och materiella anläggningstillgångar redovisas till anskaffningsvärde minskat med ackumulerade avskrivningar enligt plan och eventuella nedskrivningar.

Avskrivning sker linjärt över den förväntade nyttjandeperioden med hänsyn till väsentligt restvärde. Följande avskrivningsprocent tillämpas:

Inventarier, verktyg och installationer	20%
---	-----

##### Finansiella instrument

Finansiella instrument värderas utifrån anskaffningsvärdet. Instrumentet redovisas i balansräkningen när bolaget blir part i instrumentets avtalsmässiga villkor. Finansiella tillgångar tas bort från balansräkningen när rätten att erhålla kassaflöden från instrumentet har löpt ut eller överförts och bolaget har överfört i stort sett alla risker och förmåner som är förknippade med äganderätten. Finansiella skulder tas bort från balansräkningen när förpliktelserna har reglerats eller på annat sätt upphört.

##### Andelar i dotterföretag

Andelar i dotterföretag redovisas till anskaffningsvärde efter avdrag för eventuella nedskrivningar. I anskaffningsvärdet ingår köpeskillingen som erlagts för aktierna samt förvärvskostnader. Eventuella kapitaltillskott läggs till anskaffningsvärdet när de uppkommer. Utdelning från dotterbolag redovisas som intäkt.

##### Kundfordringar/kortfristiga fordringar

Kundfordringar och kortfristiga fordringar redovisas som omsättningstillgångar med undantag för poster med förfalldag mer än 12 månader efter balansdagen, vilka klassificeras som anläggningstillgångar. Fordringar tas upp till det belopp som förväntas bli inbetalt efter avdrag för individuellt bedömda osäkra fordringar.

2022031610136

#### **Låneskulder och leverantörsskulder**

Låneskulder och leverantörsskulder redovisas initialt till anskaffningsvärde efter avdrag för transaktionskostnader. Skiljer sig det redovisade beloppet från det belopp som ska återbetalas vid förfallotidpunkten periodiseras mellanskillnaden som räntekostnad över lånets löptid med hjälp av instrumentets effektivränta. Härigenom överensstämmer vid förfallotidpunkten det redovisade beloppet och det belopp som ska återbetalas.

#### **Nedskrivningsprövning av finansiella anläggningstillgångar**

Vid varje balansdag bedöms om det finns indikationer på nedskrivningsbehov av någon av de finansiella anläggningstillgångarna. Nedskrivning sker om värdenedgången bedöms vara bestående och prövas individuellt.

#### **Leasingavtal**

Företaget redovisar samtliga leasingavtal, såväl finansiella som operationella, som operationella leasingavtal. Operationella leasingavtal redovisas som en kostnad linjärt över leasingperioden.

#### **Varulager**

Varulagret har värderats till det lägsta av dess anskaffningsvärde och dess nettoförsäljningsvärde på balansdagen. Anskaffningsvärdet fastställs med användning av förs in, först ut-metoden (FIFU). Med nettoförsäljningsvärde avses varornas beräknade försäljningspris minskat med försäljningskostnader. Den valda värderingsmetoden innebär att inkurans i varulagret har beaktats.

#### **Inkomstskatter**

Total skatt utgörs av aktuell skatt och uppskjuten skatt. Skatter redovisas i resultaträkningen, utom då underliggande transaktion redovisas direkt mot eget kapital varvid tillhörande skatteeffekter redovisas i eget kapital.

#### **Aktuell skatt**

Aktuell skatt avser inkomstskatt för innevarande räkenskapsår samt den del av tidigare räkenskapsårs inkomstskatt som ännu inte redovisats. Aktuell skatt beräknas utifrån den skattesats som gäller per balansdagen.

#### **Uppskjuten skatt**

Uppskjuten skatt är inkomstskatt som avser framtida räkenskapsår till följd av tidigare händelser. Redovisning sker enligt balansräkningsmetoden. Enligt denna metod redovisas uppskjutna skatteskulder och uppskjutna skattefordringar på temporära skillnader som uppstår mellan bokförda respektive skattemässiga värden för tillgångar och skulder samt för övriga skattemässiga avdrag eller underskott.

Uppskjutna skattefordringar netto redovisas mot uppskjutna skatteskulder endast om de kan betalas med ett nettobelopp. Uppskjuten skatt beräknas utifrån gällande skattesats på balansdagen. Effekter av förändringar i gällande skattesatser resultatförs i den period förändringen lagstads. Uppskjuten skattefordran redovisas som finansiell anläggningstillgång och uppskjuten skatteskuld som avsättning.

Uppskjuten skattefordran avseende underskottsavdrag eller andra framtida skattemässiga avdrag redovisas i den omfattning det är sannolikt att avdragen kan avräknas mot framtida skattemässiga överskott.

På grund av sambandet mellan redovisning och beskattning särredovisas inte den uppskjutna skatteskulden som är hänförlig till obeskattade reserver.

2

2022051610137

### **Ersättningar till anställda**

Ersättningar till anställda avser alla former av ersättningar som företaget lämnar till de anställda. Kortfristiga ersättningar utgörs av bland annat löner, betald semester, betald frånvaro, bonus och ersättning efter avslutad anställning (pension). Kortfristiga ersättningar redovisas som kostnad och en skuld då det finns en legal eller informell förpliktelse att betala ut en ersättning till följd av en tidigare händelse och en tillförlitlig uppskattning av beloppet kan göras.

### ***Ersättningar till anställda efter avslutad anställning***

I företaget finns både avgiftsbestämda och förmånsbestämda pensionsplaner.

Som avgiftsbestämda planer klassificeras planer där fastställda avgifter betalas och det inte finns förpliktelser att betala något ytterligare, utöver dessa avgifter.

Utgifter för dessa redovisas som en kostnad under den period de anställda utför de tjänster som ligger till grund för förpliktelsen.

Förmånsbestämda pensionsplaner där en pensionspremie betalas redovisas i enlighet med förenklingsreglerna i BFNAR 2012:1 (K3).

### **Koncernförhållanden**

Företaget är moderföretag men med hänvisning till undantagsreglerna i årsredovisningslagen 7 kap 2§ upprättas ingen egen koncernredovisning. Det överordnade moderföretaget Glenair UK Ltd, organisationsnummer 1198102 med säte i Mansfield, UK upprättar koncernredovisning.

### **Kassaflödesanalys**

Kassaflödesanalysen upprättas enligt indirekt metod. Det redovisade kassaflödet omfattar endast transaktioner som medfört in- eller utbetalningar.

Som likvida medel klassificerar företaget, förutom kassamedel, disponibla tillgodohavanden hos banker och andra kreditinstitut samt kortfristiga likvida placeringar som är noterade på en marknadsplats och har en kortare löptid än tre månader från anskaffningstidpunkten.

### **Nyckeltalsdefinitioner**

Soliditet (%)

Justerat eget kapital (eget kapital och obeskattade reserver med avdrag för uppskjuten skatt) i procent av balansomslutning.

### **Uppskattningar och bedömningar**

Bolaget gör uppskattningar och bedömningar om framtiden. De uppskattningar för redovisningsändamål som blir följden av dessa kommer, definitionsmässig, sällan att motsvara det verkliga resultatet. De uppskattningar och antaganden som innebär en betydande risk för väsentliga justeringar i redovisade värden för tillgångar och skulder under nästkommande år behandlas i huvuddrag nedan.

### **Kundfordringar**

Bolaget gör en individuell prövning av eventuellt nedskrivningsbehov. Bolaget har en historik av låga kundförluster men en felaktig bedömning av kunders betalningsförmåga skulle kunna få en väsentlig effekt på redovisat resultat och ställning.

## Revisionsberättelse

Till bolagsstämman i Glenair Nordic AB, org.nr 556480-0380

### Rapport om årsredovisningen

#### Uttalanden

Vi har utfört en revision av årsredovisningen för Glenair Nordic AB för räkenskapsåret 1 oktober 2020 till 30 september 2021.

Enligt vår uppfattning har årsredovisningen upprättats i enlighet med årsredovisningslagen och ger en i alla väsentliga avseenden rättvisande bild av Glenair Nordic ABs finansiella ställning per den 30 september 2021 och av dess finansiella resultat och kassaflöde för året enligt årsredovisningslagen. Förvaltningsberättelsen är förenlig med årsredovisningens övriga delar.

Vi tillstyrker därför att bolagsstämman fastställer resultaträkningen och balansräkningen för Glenair Nordic AB.

#### Grund för uttalanden

Vi har utfört revisionen enligt International Standards on Auditing (ISA) och god revisions sed i Sverige. Vårt ansvar enligt dessa standarder beskrivs närmare i avsnittet Revisorns ansvar. Vi är oberoende i förhållande till Glenair Nordic AB enligt god revisors sed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

#### Styrelsens och verkställande direktörens ansvar

Det är styrelsen och verkställande direktören som har ansvaret för att årsredovisningen upprättas och att den ger en rättvisande bild enligt årsredovisningslagen. Styrelsen och verkställande direktören ansvarar även för den interna kontroll som de bedömer är nödvändig för att upprätta en årsredovisning som inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller misstag.

Vid upprättandet av årsredovisningen ansvarar styrelsen och verkställande direktören för bedömningen av bolagets förmåga att fortsätta verksamheten. De upplyser, när så är tillämpligt, om förhållanden som kan påverka förmågan att fortsätta verksamheten och att använda antagandet om fortsatt drift. Antagandet om fortsatt drift tillämpas dock inte om styrelsen och verkställande direktören avser att likvidera bolaget, upphöra med verksamheten eller inte har något realistiskt alternativ till att göra något av detta.

#### Revisorns ansvar

Våra mål är att uppnå en rimlig grad av säkerhet om huruvida årsredovisningen som helhet inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller misstag, och att lämna en revisionsberättelse som innehåller våra uttalanden. Rimlig säkerhet är en hög grad av säkerhet, men är ingen garanti för att en revision som utförs enligt ISA och god revisions sed i Sverige alltid kommer att upptäcka en väsentlig felaktighet om en sådan finns. Felaktigheter kan uppstå på grund av oegentligheter eller misstag och anses vara väsentliga om de enskilt eller tillsammans rimligen kan förväntas påverka de ekonomiska beslut som användare fattar med grund i årsredovisningen.

Som del av en revision enligt ISA använder vi professionellt omdöme och har en professionellt skeptisk inställning under hela revisionen. Dessutom:

- identifierar och bedömer vi riskerna för väsentliga felaktigheter i årsredovisningen, vare sig dessa beror på oegentligheter eller misstag, utformar och utför granskningsåtgärder bland annat utifrån dessa risker och inhämtar revisionsbevis som är tillräckliga och ändamålsenliga för att utgöra en grund för våra uttalanden. Risken för att inte upptäcka en väsentlig felaktighet till följd av oegentligheter är högre än för en väsentlig felaktighet som beror på misstag, eftersom oegentligheter kan innefatta agerande i maskopi, förfalskning, avsiktliga utelämnanden, felaktig information eller åsidosättande av intern kontroll.

- skaffar vi oss en förståelse av den del av bolagets interna kontroll som har betydelse för vår revision för att utforma granskningsåtgärder som är lämpliga med hänsyn till omständigheterna, men inte för att uttala oss om effektiviteten i den interna kontrollen.
- utvärderar vi lämpligheten i de redovisningsprinciper som används och rimligheten i styrelsens och verkställande direktörens uppskattningar i redovisningen och tillhörande upplysningar.
- drar vi en slutsats om lämpligheten i att styrelsen och verkställande direktören använder antagandet om fortsatt drift vid upprättandet av årsredovisningen. Vi drar också en slutsats, med grund i de inhämtade revisionsbevisen, om huruvida det finns någon väsentlig osäkerhetsfaktor som avser sådana händelser eller förhållanden som kan leda till betydande tvivel om bolagets förmåga att fortsätta verksamheten. Om vi drar slutsatsen att det finns en väsentlig osäkerhetsfaktor, måste vi i revisionsberättelsen fästa uppmärksamheten på upplysningarna i årsredovisningen om den väsentliga osäkerhetsfaktorn eller, om sådana upplysningar är otillräckliga, modifiera uttalandet om årsredovisningen. Våra slutsatser baseras på de revisionsbevis som inhämtas fram till datumet för revisionsberättelsen. Dock kan framtida händelser eller förhållanden göra att ett bolag inte längre kan fortsätta verksamheten.
- utvärderar vi den övergripande presentationen, strukturen och innehållet i årsredovisningen, däribland upplysningarna, och om årsredovisningen återger de underliggande transaktionerna och händelserna på ett sätt som ger en rättvisande bild.

Vi måste informera styrelsen om bland annat revisionens planerade omfattning och inriktning samt tidpunkten för den. Vi måste också informera om betydelsefulla iakttagelser under revisionen, däribland de eventuella betydande brister i den interna kontrollen som vi identifierat.

## Rapport om andra krav enligt lagar och andra författningar

### Uttalanden

Utöver vår revision av årsredovisningen har vi även utfört en revision av styrelsens och verkställande direktörens förvaltning för Glenair Nordic AB för räkenskapsåret 1 oktober 2020 till 30 september 2021 samt av förslaget till dispositioner beträffande bolagets vinst eller förlust.

Vi tillstyrker att bolagsstämman disponerar vinsten enligt förslaget i förvaltningsberättelsen och beviljar styrelsens ledamöter och verkställande direktören ansvarsfrihet för räkenskapsåret.

### Grund för uttalanden

Vi har utfört revisionen enligt god revisionssed i Sverige. Vårt ansvar enligt denna beskrivs närmare i avsnittet Revisorns ansvar. Vi är oberoende i förhållande till Glenair Nordic AB enligt god revisorssed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

### Styrelsens och verkställande direktörens ansvar

Det är styrelsen som har ansvaret för förslaget till dispositioner beträffande bolagets vinst eller förlust. Vid förslag till utdelning innefattar detta bland annat en bedömning av om utdelningen är försvarlig med hänsyn till de krav som bolagets verksamhetsart, omfattning och risker ställer på storleken av bolagets egna kapital, konsolideringsbehov, likviditet och ställning i övrigt.

Styrelsen ansvarar för bolagets organisation och förvaltningen av bolagets angelägenheter. Detta innefattar bland annat att fortlöpande bedöma bolagets ekonomiska situation, och att tillse att bolagets organisation är utformad så att bokföringen, medelsförvaltningen och bolagets ekonomiska angelägenheter i övrigt kontrolleras på ett betryggande sätt. Den verkställande direktören ska sköta den löpande förvaltningen enligt styrelsens riktlinjer och anvisningar och bland annat vidta de åtgärder som är nödvändiga för att bolagets bokföring ska fullgöras i överensstämmelse med lag och för att medelsförvaltningen ska skötas på ett betryggande sätt.

### Revisorns ansvar

Vårt mål beträffande revisionen av förvaltningen, och därmed vårt uttalande om ansvarsfrihet, är att inhämta revisionsbevis för att med en rimlig grad av säkerhet kunna bedöma om någon styrelseledamot eller verkställande direktören i något väsentligt avseende:

2022031610146

- företagit någon åtgärd eller gjort sig skyldig till någon försummelse som kan föranleda ersättningsskyldighet mot bolaget
- på något annat sätt handlat i strid med aktiebolagslagen, årsredovisningslagen eller bolagsordningen.

Vårt mål beträffande revisionen av förslaget till dispositioner av bolagets vinst eller förlust, och därmed vårt uttalande om detta, är att med rimlig grad av säkerhet bedöma om förslaget är förenligt med aktiebolagslagen.

Rimlig säkerhet är en hög grad av säkerhet, men ingen garanti för att en revision som utförs enligt god revisionssed i Sverige alltid kommer att upptäcka åtgärder eller försummelse som kan föranleda ersättningsskyldighet mot bolaget, eller att ett förslag till dispositioner av bolagets vinst eller förlust inte är förenligt med aktiebolagslagen.

Som en del av en revision enligt god revisionssed i Sverige använder vi professionellt omdöme och har en professionellt skeptisk inställning under hela revisionen. Granskningen av förvaltningen och förslaget till dispositioner av bolagets vinst eller förlust grundar sig främst på revisionen av räkenskaperna. Vilka tillkommande granskningsåtgärder som utförs baseras på vår professionella bedömning med utgångspunkt i risk och väsentlighet. Det innebär att vi fokuserar granskningen på sådana åtgärder, områden och förhållanden som är väsentliga för verksamheten och där avsteg och överträdelse skulle ha särskild betydelse för bolagets situation. Vi går igenom och prövar fattade beslut, beslutsunderlag, vidtagna åtgärder och andra förhållanden som är relevanta för vårt uttalande om ansvarsfrihet. Som underlag för vårt uttalande om styrelsens förslag till dispositioner beträffande bolagets vinst eller förlust har vi granskat om förslaget är förenligt med aktiebolagslagen.

# GLENAIR UK LIMITED

## STRATEGIC REPORT

The directors present their strategic report for the company and its subsidiaries (together 'the group') for the year ended 30 September 2021.

### Business review

The group continues to make significant investments in capital equipment and workspace to support new product introductions and growth of existing product lines. Total additions during the year to machinery and land / building were £2.4m and £7.0m, respectively. See footnote 9 for additional details.

The consolidated balance sheet on page 12 shows that the group's financial position in net assets has increased to £98.0m (2020: £92.9m). This movement is a result of profits in the year of £13.6m (2020: £9.7m), dividends paid of £7.0m (2020: £0m) and foreign currency translation loss of £1.5m (2020 gain: £0.8m), as shown in the consolidated profit and loss account and consolidated statement of comprehensive income on page 11.

The directors consider the following to be the key financial performance indicators of the group:

	2021	2020
	£m	£m
Turnover	142.9	135.8
Operating profit	17.7	12.2
Net Cash	28.9	17.9

Turnover has increased by 5.2% as a result of improvements in most market segments.

Operating profit was higher, with the operating profit margin increasing to 12.4% (2020: 9.0%) as a result of increasing turnover from existing and new product developments. Additionally, 2020 operating profits was impacted by operations being closed for a four week period in April 2020 while costs were still being incurred during that period such as payroll, rent and other administrative expenses. Operations were not shut down for any period in fiscal year 2021.

The net cash position has increased in the year to £28.9m (2020: £17.9m). Full details of which are shown in the consolidated cash flow statement on page 16.

The quality of the Company's parts is measured and tracked by the Company based on the number of returns it receives from customers on parts delivered. The Company aims to achieve a quality target of at least 99.50%, of which the Company achieved a rating of 99.70% in 2020 and 99.84% in 2021.

The group's directors believe that further non-financial key performance indicators for the group are not necessary or appropriate for an understanding of the development, performance or position of the business.

### Future developments

The COVID-19 outbreak has continued to have some impact on all markets and regions globally. Despite these challenging economic conditions, the directors expect the results of the group to remain at similar levels to those results the group was able to achieve during fiscal year 2021 until COVID-19 has been eradicated.

### Events post balance sheet date

In October 2021, Glenair Nordic AB paid a dividend in the amount of £2.99 million to the Company. There are no other material post balance sheet events that took place through the date these financial statements were issued.

### Principal risks and uncertainties

The group remains at risk from competitive pressure mainly from low cost economies. The group manages this risk by keeping up to date on market information, maintaining strong relationships and providing a value added service to its customers.

A significant amount of sales are in foreign currencies (US\$ & €) and therefore the group is exposed to a rate change in these currencies. The group monitors its exposure on a regular basis, and the risk is mitigated by natural hedges.

Cybersecurity incidents affecting our information technology systems could disrupt business operations, resulting in adverse impacts to our reputation and operating results and potentially leading to litigation and/or governmental investigations. The group has clear policies and procedures following industry standards to manage risk and improve our cybersecurity posture. Controlled penetration tests of all systems are performed regularly to mitigate unknown access points into their systems.

While there are risks and uncertainties anticipated to result from the continued impact of COVID-19, these risk and uncertainties are not anticipated to have a material impact on the business.

ank=202206092209580808106690

## GLENAIR UK LIMITED

### STRATEGIC REPORT (continued)

discuss key areas of focus that include innovation, product development, health and safety, sustainability, and issues they are facing and implement processes and actions to address their feedback in order to continue to maintain a good standing win / win relationship with each of our supplier counterparties.

Customers – We have three guiding principles that are pivotal to our relationships with our customers, 1) Bow to the customer's convenience, 2) Protect the reputation of the organization, and 3) Keep today's customer satisfied. These principles combined with our continuous efforts to solicit feedback from our customers regarding our current performance along with their future needs, allows us to position not only ourselves but our customers for future success. The group listens to the feedback from customers and makes its business decision to engage with its customers based on a long-term outlook. This approach has allowed the group to maintain long standing relationships with its customers.

Approved by the Board of Directors  
and signed on behalf of the Board

A J Birks  
Director

## GLENAIR UK LIMITED

### DIRECTORS' REPORT

The directors present their annual report and the audited financial statements for the year ended 30 September 2021.

Details of future developments and financial risk management objectives and policies can be found in the Strategic report on page 2 and form part of this report by cross reference.

#### Principal activities

The principal activity of the group is the manufacture and supply of electronic components and interconnection systems. Glenair UK Limited is a wholly owned subsidiary of Glenair Inc. The UK group has principal operations in the UK, Italy, Germany, France, Sweden and Spain. There have not been any changes in the group's principal activities in the year under review.

#### Research and Development

During the year the group has continued to invest in the Research and Development of its product ranges. This investment will enable us to expand our European manufacturing capability in the areas of Hermetic connectors, Space hold down release mechanisms and connectors for the Nuclear industry. This investment is considered by the directors to be of a medium-term and returns from this are expected in a similar timeframe.

#### Financial risk management objectives and policies

The group's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the group's policies approved by the board of directors, which provide written principles on the use of financial derivatives to manage these risks. The group does not use derivative financial instruments for speculative purposes. The group has not used any derivative financial instruments to manage risk in the current or prior year.

#### Results and dividends

The audited financial statements for the year are set out on pages 11 to 35.

During the year, the directors after considering distributable profits per the annual accounts drawn up to 30<sup>th</sup> September 2021, it was resolved to declare a dividend of £7.0m (2020: £nil) to Glenair Inc. on 1 April 2021. It was agreed that the dividend would be deducted from the Glenair Inc. loan account due to Glenair UK Limited as of 1 April 2021.

An indication of likely future developments in the business of the group is given in the strategic report.

#### Directors

The directors who served during the year and subsequently, except as noted, were as follows:

J D Jameson (Resigned 24<sup>th</sup> September 2021)

A J Birks

T J Gaffney

P L McGee (Resigned 24<sup>th</sup> September 2021)

Y Boralessa (Appointed 27<sup>th</sup> September 2021)

The company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report.

#### Supplier payment policy

The company's policy, which is also applied by the group, is to settle terms of payment with suppliers when agreeing the terms of each transaction, ensure that suppliers are made aware of the terms of payment and abide by the terms of payment. The group's average creditor days in the year were 26 days (2020: 30 days).

#### Disabled employees

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled every effort is made to ensure that their employment with the group continues and that appropriate training is arranged. It is the policy of the group that the training, career development and promotion of disabled persons should, as far as possible, be identical with that of other employees.

## GLENAIR UK LIMITED

### DIRECTORS' REPORT

#### Employee consultation

The group places considerable value on the involvement of its employees and has continued to keep them informed on matters affecting them as employees and on the various factors affecting the performance of the group. Employee representatives are consulted regularly on safety matters.

#### Annual Energy and Carbon Report

This report provides Glenair UK Limited's annual energy consumption and carbon dioxide, the energy consumption and carbon dioxide emissions data are based on the Streamlined Energy and Carbon Reporting requirements provided by the Government.

	Year ending 30 September 2022	Year ending 30 September 2021
Energy consumption used to calculate emissions (kWh)	3,928,649	3,411,653
Emissions from combustion of gas (Scope 1) tCO <sub>2</sub> e	257.63	165.75
Emissions from combustion of fuel for transport purposes (Scope 1) tCO <sub>2</sub> e	28.05	42.47
Emissions from purchased electricity (Scope 2) tCO <sub>2</sub> e	506.57	539.12
Emissions from business Travel in rental cars or employee-owned vehicles where company is responsible for purchasing the fuel (Scope 3) tCO <sub>2</sub> e	5.54	6.53
<b>Total gross emissions in metric tonnes CO<sub>2</sub>e</b>	<b>797.80</b>	<b>753.86</b>
Intensity ratio: tCO <sub>2</sub> e gross figure / GBP 1,000,000 revenue	14.05	14.03

**Methodology** – Emissions are calculated using the actual consumption and the Government conversion factors for company reporting of greenhouse gas emissions. We have followed the 2019 UK Government environmental reporting guidance. We have used the GHG Protocol Corporate Accounting and Reporting Standard (revised edition) and emission factors.

**Measures taken to improve energy efficiency** - We have commissioned two new energy efficient boilers and we have changed our vehicle policy so when petrol and diesel vehicles come up for replacement they are being replaced with hybrid vehicles.

#### Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

(1) so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and

**GLENAIR UK LIMITED**

**DIRECTORS' REPORT**

(2) the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have indicated their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed reappointed as auditor in the absence of an Annual General Meeting.

Approved by the Board of Directors

## GLENAIR UK LIMITED

### DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

ank=202206022022060300696

## Independent auditor's report to the members of Glenair UK Limited

### Report on the audit of the financial statements

#### Opinion

In our opinion the financial statements of Glenair UK Limited (the 'parent company') and its subsidiaries (the 'group');

- give a true and fair view of the state of the group's and of the parent company's affairs as at 30 September 2021 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the consolidated profit and loss account;
- the consolidated statement of comprehensive income;
- the consolidated and company balance sheets;
- the consolidated and company statements of changes in equity;
- the consolidated cash flow statement; and
- the related notes 1 to 23.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the group and the parent company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

ank=2022060922095900530698

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the group's industry and its control environment, and reviewed the group's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the group operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included UK Companies Act, pensions legislation, tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the group's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including significant component audit teams and relevant internal specialists such as tax, regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

As a result of performing the above, we identified the greatest potential for fraud or non-compliance with laws and regulations in the following areas, and our specific procedures performed to address them are described below:

- **Revenue recognition:** There is risk that revenue is recognised in the incorrect period due to revenue being recognised before the risks and rewards have been transferred to the customer. We have assessed the design and implementation testing on the key controls management have in place to address the risk. Substantive testing procedures have been designed to address this risk and includes performing sample testing on despatches made either side of the year end and ensuring that revenue is recognised when risk has been transferred to the customer this has been performed by review the contractual rights with each customer; and
- **Inventory provision:** There is risk that due to the judgemental nature of the provision that this has been calculated in an incorrect manner which could result in it being misstated at the period end. We have assessed the design and implementation of the controls management have in place to address the risk. Substantive procedures performed to assess mathematical accuracy and any manual adjustments made in relation to the adherence of provisioning policy in addition to assessing the appropriateness of the provision policy.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and external legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

#### **Report on other legal and regulatory requirements**

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the group and of the parent company and their environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

#### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

ank=202206022022060507700

We have nothing to report in respect of these matters.

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## GLENAIR UK LIMITED

### NOTES TO THE FINANCIAL STATEMENTS Year ended 30 September 2021

#### 1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

##### General information and basis of accounting

Glenair UK Limited (the company) is a company incorporated in the United Kingdom under the Companies Act 2006.

The company is a private company limited by shares and is registered in England and Wales. The address of the company's registered office is shown on page 1.

The principal activities of the company and its subsidiaries (the group) and the nature of the group's operations are set out in the strategic report and directors' report on pages 2 to 7.

The financial statements have been prepared under the historical cost convention, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency differs throughout the group. The primary functional currencies are pounds sterling, the euro and the Swedish krona. The consolidated financial statements are presented in pounds sterling because that is the currency of the primary economic environment in which the company and the group operates. Foreign operations are included in accordance with the policies set out below.

Glenair UK Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements, which are presented alongside the consolidated financial statements. Exemptions have been taken in relation to the presentation of a cash flow statement and remuneration of key management personnel.

##### Going concern

The Directors have performed and carefully considered revised forecast scenarios of varying severity to stress test the resilience of the group's cash flows and trading performance. All scenarios provided sufficient comfort to the Directors.

The strong net cash position of the group is expected to provide the group with reasonable headroom throughout the forecast period and for a period of at least twelve months from the date of approval of the financial statements.

In addition to the above, the group has a very well balanced portfolio between different industries, and while no issues have been experienced with regards to the groups' supply chain, the group has significant raw materials in case of any future disruption. As a consequence, the Directors believe the group is well placed to manage its business risks successfully.

The Directors, having reviewed projected cash flows, have a reasonable expectation that the company and group have adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

##### Basis of consolidation

The group financial statements consolidate the financial statements of the company and its subsidiary undertakings drawn up to 30 September each year. The results of subsidiaries acquired or sold are consolidated for the periods from or to the date on which control passed. Acquisitions are accounted for under the acquisition method.

##### Goodwill

Goodwill arising on the acquisition, or the increase in stake, of subsidiary undertakings and businesses, representing any excess of the fair value of the total consideration given, both actual and deferred, over the fair value of the identifiable assets and liabilities acquired, is capitalised and written off on a straight line basis over its useful economic life, which is no more than twenty years. Provision is made for any impairment.

ank=20220609220920080800707

## GLENAIR UK LIMITED

### NOTES TO THE FINANCIAL STATEMENTS Year ended 30 September 2021

#### 1. ACCOUNTING POLICIES (continued)

##### Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost, less estimated residual value of each asset, on a straight-line basis over its expected useful life, as follows:

Long leasehold land and buildings	2.5% per annum
Plant and machinery	10% - 33% per annum
Motor vehicles	25% per annum

Residual value is calculated on prices prevailing at the date of acquisition. Profits or losses on the disposal of fixed assets are included in the calculation of operating profit.

##### Investments

Fixed asset investments are shown at cost less any provision for impairment.

##### Impairment of assets

Assets are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below:

##### Non-financial assets

An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

The recoverable amount of goodwill is derived from measurement of the present value of the future cash flows of the cash generating units ("CGU"s) of which the goodwill is a part. Any impairment loss in respect of a CGU is allocated first to the goodwill attached to that CGU, and then to other assets within that CGU on a pro-rata basis.

Where indicators exist for a decrease in impairment loss previously recognised for assets other than goodwill, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised. Where a reversal of impairment occurs in respect of a CGU, the reversal is applied first to the assets of the CGU, except for goodwill, on a pro-rata basis. Impairment of goodwill is never reversed.

##### Financial assets

For financial assets carried at amortised cost, the amount of an impairment is the difference between the asset's carrying amount and the present value of the estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

## GLENAIR UK LIMITED

### NOTES TO THE FINANCIAL STATEMENTS Year ended 30 September 2021

#### 1. ACCOUNTING POLICIES (continued)

##### **Financial instruments**

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

##### *i) Financial assets and liabilities*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those assets classified as fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the balance sheet when, and only when, there exists a legally enforceable right to set off the recognised amounts and the company either intends to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when (a) the contractual rights to the cash flows from the financial asset expire or are settled, (b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or (c) the company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

##### *ii) Investments*

Investments in subsidiaries are measured at cost less impairment.

##### *iii) Equity instruments*

Equity instruments issued by the company are recorded at the fair value of the cash or other resources received or receivable, net of direct issue costs.

##### **Stocks**

Stocks are stated at the lower of cost and net realisable value. Cost includes materials, direct labour, and an attributable proportion of manufacturing overheads based on normal levels of activity. Cost is calculated using the FIFO (first-in, first-out) method. Net realisable value is based on estimated selling price less further costs expected to be incurred to completion and disposal. Provision is made for obsolete, slow-moving or defective items where appropriate.

##### **Research and development**

Research and development expenditure is charged to the profit and loss account in the period in which it is incurred.

##### **Taxation**

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the group's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax is measured at the

## GLENAIR UK LIMITED

### NOTES TO THE FINANCIAL STATEMENTS Year ended 30 September 2021

#### 1. ACCOUNTING POLICIES (CONTINUED)

##### Taxation (Continued)

average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

##### Turnover

Group turnover represents amounts receivable from the provision of goods and services in the normal course of business, exclusive of intra group transactions, trade discounts, Value Added Tax and other sales related taxes. Turnover is recognised at the point that the risks and rewards of ownership of the goods has transferred to a third party which is typically on delivery.

##### Bank borrowings

Interest-bearing bank loans and overdrafts are recorded at the proceeds received, net of direct issue costs. Interest expense is calculated based on the fixed or variable rates per the terms of the loan agreement with the banks.

##### Interest Income

Interest income is calculated based on the fixed or variable rates per the terms of the loan agreement with the counterparty.

##### Leased assets

Assets held under finance leases and other similar contracts, which confer rights and obligations similar to those attached to owned assets, are capitalised as tangible fixed assets and are depreciated over their useful lives. The capital elements of future lease obligations are recorded as liabilities, while the interest elements are charged to the profit and loss account over the period of the leases to produce a constant rate of charge on the balance of capital repayments outstanding. Hire purchase transactions are dealt with similarly, except their assets are depreciated over their useful lives.

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis.

##### Pension costs and other post-retirement benefits

The group operates two defined contribution schemes. The amount charged to the profit and loss account in respect of pension costs and other post-retirement benefits is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

Obligations to employees are severance indemnities, accrued up to 31 December 2006, due to employees at the end of their working period.

##### Foreign currency

Foreign currency transactions are translated at the average rate for the month in which they occur.

Assets and liabilities expressed in foreign currencies are translated at the rate of exchange ruling at the balance sheet date or forward contract rates, where appropriate. Exchange differences which arise from normal trading activities are included in the calculation of operating profit.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity.

#### 2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION

##### UNCERTAINTY

In the application of the group's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not

**GLENAIR UK LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS**  
**Year ended 30 September 2021**

readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

*Critical judgements in applying the group's accounting policies*

The following are the critical judgements, apart from those involving estimations (which are dealt with separately below), that the directors have made in the process of applying the group's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

*Revenue recognition*

In making its judgement, management considered the detailed criteria for the recognition of revenue from the sale of goods set out in FRS 102 Section 23 Revenue and, in particular, whether the group had transferred to the buyer the significant risks and rewards of ownership of the goods.

The directors do not deem there to be any key sources of estimation uncertainty for the group.

**3. SEGMENTAL INFORMATION**

Group turnover and profit before taxation are generated from the principal activity of the group.

The geographical analysis of turnover by destination is as follows:

	2021 £	2020 £
United Kingdom	35,611,894	32,581,102
Rest of Europe	73,846,578	66,443,027
Rest of World	33,421,036	36,790,011
	<u>142,879,508</u>	<u>135,814,140</u>

**GLENAIR UK LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS**  
**Year ended 30 September 2021**

**7. TAX ON PROFIT**

The tax charge is based on the profit for the year and comprises:

	2021 £	2020 £
<b>Current tax</b>		
UK corporation tax	1,690,572	1,580,794
Foreign tax	2,715,495	1,321,263
	<u>4,406,067</u>	<u>2,902,057</u>
Adjustments in respect of prior years - UK corporation tax	(18,150)	(9,854)
	<u>4,387,917</u>	<u>2,892,203</u>
<b>Deferred tax (note 15)</b>		
Origination and reversal of timing differences	(96,268)	(203,540)
	<u>4,291,649</u>	<u>2,688,663</u>

The differences between the total tax shown above and the amount calculated by applying the average standard rate of UK corporation tax to the profit before tax is as follows.

	2021 £	2020 £
<b>Profit before tax</b>	<u>17,933,683</u>	<u>12,379,627</u>
Tax on profit at average standard UK corporation tax rate of 19.0% (2020: 19.0%)	3,407,400	2,352,129
Effects of:		
Items not deductible for tax purposes	4,826	33,399
Items not deductible for tax purposes overseas	11,863	(3,818)
Other timing differences	25,312	(14,646)
Adjustment in respect to previous periods	(18,150)	(9,854)
Higher tax rates on overseas earnings	860,398	331,453
	<u>4,291,649</u>	<u>2,688,663</u>

The group's future tax charge will be affected by the change in the UK corporation tax rate.

The March 2021 Budget announced a further increase to the main rate of corporation tax to 25% from April 2023. This rate has not been substantively enacted at the balance sheet date, as result deferred tax balances as at 30 September 2021 continue to be measured at 19%. The impact of this future increase has not been numerically quantified.

Obligations under finance leases and hire purchase contracts	2,206,669	2,957,815	-	-
Obligations to employees	535,268	570,225	-	-
	<u>7,198,159</u>	<u>3,695,909</u>	<u>3,588,936</u>	<u>3,588,936</u>

Bank loans are due in monthly instalments over the next 72 months. The loans bear interest at 1.29% and 0.5% as of September 30, 2021 and are secured by the equipment for which the funds were used to purchase.

The finance lease obligations are secured on the related hire purchase assets held by the group. These arrangements have an interest rate of 1.07% to 3.01% and are due in 12 months to 72 months.

Obligations to employees are severance indemnities, accrued up to 31 December 2006, due to employees at the end of their working period.

Amounts due to subsidiary undertakings are unsecured, non-interest bearing loans from dormant UK subsidiaries.
