HITEC LUXEMBOURG SA

Siège social: L-8212 Mamer, 49, rue du Bärendall

N° fiscal: 1991 2204 408 - n° R.C. Luxembourg B 37529

Notes to the accounts as at December 31, 2022

NOTE 1 - GENERAL INFORMATION

HITEC Luxembourg S.A. (hereafter the "Company") was incorporated on July 26, 1991 as a public limited company ("Société anonyme") for an indefinite period of time.

The Company's purpose is to study, analyse, advise, manufacture and sell systems relating to mechanics, electromechanics, measurement and control techniques, physics, microprocessors and computer processing.
The financial year of the company starts on January 1st and ends December 31.

The registered office is located in L-8212 Mamer, 49, rue du Bärendall.

Based on the criteria defined by Luxembourg Law, the Company is exempted from the obligation to draw up consolidated accounts and consolidated management report for the year ended December 31, 2022. Therefore, in accordance with the legal provisions, these annual accounts were prepared on a non-consolidated basis for the approval of the shareholders during the Annual General Meeting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The annual accounts are prepared in accordance with Luxembourg legal and regulatory requirements and the accounting principles generally accepted in Luxembourg under the historical cost convention.
Accounting policies and valuation rules are, besides the ones laid down by the Law of 19 December 2002, as amended, determined and applied by the Board of Directors.

The preparation of annual accounts requires the use of certain critical accounting estimates. It also requires the Board of Directors to exercise its judgment in the process of applying the accounting policies. Changes in assumptions may have a significant impact on the annual accounts in the period in which the assumptions changed. Management believes that the underlying assumptions are appropriate and that the annual accounts therefore present the financial position and results fairly.

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities in the next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Conversion of foreign currencies

The Company maintains its accounting records in EURO (EUR) and the balance sheet and profit and loss account are expressed in this currency.

Transactions in currencies other than the share capital currency are converted in EUR at the exchange rates applicable at the transaction date.

At the balance sheet date:

Assets and liabilities expressed in a currency other than the balance sheet currency are valued at the exchange rates prevailing at the balance sheet date.

Other assets and liabilities are translated separately respectively at the lower or at the higher of the value converted at the historic exchange rate or the value determined on the basis of the exchange rates effective at the balance sheet date. The unrealised exchange losses are recorded in the profit and loss account. The realised exchange gains are recorded in the profit and loss account at the moment of their realisation.

Intangible fixed assets

Intangible fixed assets are valued at purchase price including the expenses incidental thereto or at production cost, less cumulated depreciation amounts written off and value adjustments.

The depreciation rate/ useful economic life for:

	Depreciation rate	Depreciation method
Concessions, patents, licences, trademarks and similar right	20%	Linear
Goodwill, to the extent that it was acquired for valuable	10%	Linear

When a permanent diminution in value is identified, this diminution is recorded in the profit and loss account as a value adjustment. A reversal of the value adjustment is recorded to the extent the factors which caused its initial recording to have ceased to exist.

Tangible fixed assets

Tangible fixed assets are valued at purchase price including the expenses incidental thereto or at production cost. Tangible fixed assets are depreciated over their estimated useful economic lives.

The depreciation rate/ useful economic life for:

	Depreciation rate	Depreciation method
Other fixtures and fittings, tools and equipment	20%, 25%, 33 %	Linear

When a permanent diminution in value is identified, this diminution is recorded in the profit and loss account as a value adjustment. A reversal of the value adjustment is recorded to the extent the factors which caused its initial recording have ceased to exist.

Financial Fixed assets

Shares participating interests are valued at purchase price including the expenses incidental thereto.

In the case of durable depreciation in value according to the opinion of the Board of Directors, value adjustments are made in respect of fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Inventories of finished goods and work and contracts in progress

Inventories of finished goods and work and contracts in progress are valued at the lower of production cost including the purchase price of the raw materials and consumables, the costs directly attributable to the contract in question and a proportion of the costs indirectly attributable to the contract in question, and market value.

A value adjustment is recorded where the market value is below the production cost. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Profits deriving from contracts that have a duration of up to two years are recognized on termination of the project, whereas profits on contracts with a longer duration are accounted for based on progress. Based on the progress at year-end and based on the profit that is most probably going to be realised on such contracts are accounted for proportionally at every year-end.

Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Prepayments

This asset item includes expenditures incurred during the financial year but relating to the subsequent financial year.

Provisions

Provisions are intended to cover losses or debts, the nature of which is clearly defined and which, at the date of the balance sheet, are either likely to be incurred or certain to be incurred but uncertain as to their amount or the date on which they will arise.

Provisions may also be created to cover charges which originate in the financial year under review or in a previous financial year, the nature of which is clearly defined and which at the date of the balance sheet are either likely to be incurred or certain to be incurred but uncertain as to their amount or the date on which they will arise.

Creditors

Creditors are recorded in the balance sheet at their repayment value.

Gross profit or loss

Gross profit or loss includes amounts resulting from the net turnover corresponding to the Company's ordinary activities, variation in stocks of finished goods and work in progress, other operating income and raw materials and consumables and other external expenses.

NOTE 10 – CAPITAL AND RESERVES

Capital

The capital is set at € 400,000 represented by 2,150 shares without a nominal value.

Legal reserve

According to the law on commercial companies, at least one-twentieth of the net profits must be deducted annually from the legal reserve until the reserve reaches one-tenth of the share capital. This reserve may not be distributed. The legal reserve is complete and amounts to € 40,000.00.

Other reserves

According to the tax law, wealth tax can be offset against corporate income tax provided that a reserve of five times the annual wealth tax is set aside and maintained for five years. The reserve set up is established as follows:

	<u>31.12.2022</u>	<u>31.12.2021</u>
Reserve §8a IF :	118 500,00	91 500,00
Reserve for own shares	316 076,00	316 076,00
Other available reserves	24 719,91	24 719,91

- Warranty on products	320 799,89	0,00
	<u>427 330,03</u>	<u>159 909,03</u>

NOTE 13 – NET TURNOVER

A breakdown of the net turnover by category and geographical markets is omitted because its nature is such that it would be seriously prejudicial to the Company.

NOTE 14 – STAFF COSTS

The number of full-time equivalent staff employed by the Company during the year is 48 (2021: 51)

NOTE 15 – OFF BALANCE SHEET COMMITMENTS

The financial commitments of the Company are as follows:

	<u>31.12.2022</u>	<u>31.12.2021</u>
Leasing (Rent, rolling stock, other)	1 007 767,67	1 286 719,09
Bank guarantees (rent, deposit refund)	85 149,80	97 586,50
	<u>1 092 917,47</u>	<u>1 384 305,59</u>

NOTE 16 – TAXATION

The Company is subject to the general tax regulation applicable to all Luxembourg commercial companies.

NOTE 17 – EMOLUMENTS TO BOARD MEMBERS

The emoluments granted to the board members during the financial year 2022 amounted to 12 500,00 € excl. VAT. (12 500,00 € in 2021)

NOTE 18 - ADVANCES AND LOANS GRANTED TO THE MEMBERS OF THE MANAGEMENT AND SUPERVISORY BODIES

During the year, no advances and loans were granted to the members of the management and supervisory bodies and no balances are outstanding.

NOTE 19 – RELATED PARTIES TRANSACTIONS

During the financial year there were no significant transactions entered into with related parties.

NOTE 20 – SUBSEQUENT EVENTS

There are no subsequent events identified that require recognition or disclosure.

REPORT OF THE REVISEUR D'ENTREPRISES AGRÉÉ

Report on the audit of the annual accounts

Opinion

We have audited the accompanying annual accounts of HITEC LUXEMBOURG S.A. (the "Company") which comprise:

- The balance sheet as at 31 December 2022;
- The profit and loss account for year then ended; and
- The notes to the annual accounts, which include a summary of significant accounting policies.

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of the Company as at 31 December 2022, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

Basis for opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" (CSSF). Our responsibilities under those Law and standards are further described in the "Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the annual accounts" section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts. We have fulfilled our other ethical responsibilities under those ethical requirements.

HACA PARTNERS

Audit & Governance

Other information

The Board of Directors is responsible for the other information. The other information comprises the information stated in the management report but does not include the annual accounts and our report of "Réviseur d'Entreprises agréé" thereon.

Our opinion on the annual accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the annual accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors for the annual accounts

The Board of Directors is responsible for the preparation and fair presentation of the annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the "Réviseur d'entreprises agréé" for the annual accounts

The objectives of our audit are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

HACA PARTNERS

Audit & Governance

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

The management report is consistent with the annual accounts and has been prepared in accordance with the applicable legal requirements.
