INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
GiveDirectly, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of GiveDirectly, Inc. (GiveDirectly), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of GiveDirectly as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GiveDirectly and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GiveDirectly's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GiveDirectly's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GiveDirectly's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2024, on our consideration of GiveDirectly's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of GiveDirectly's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering GiveDirectly's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2023 and 2022

1. Organization and Summary of Significant Accounting Policies

Organization

GiveDirectly, Inc. (GiveDirectly) is a not-for-profit organization incorporated on September 1, 2009, in the State of Massachusetts. GiveDirectly's mission is to reduce poverty by providing financial assistance directly to those in need. GiveDirectly offers a service that enables others to send cash transfers directly to people in need. GiveDirectly operates in the United States of America (U.S.), Kenya, Uganda, Rwanda, Liberia, Malawi, Mozambique, the Democratic Republic of the Congo (DRC), Nigeria, Yemen, Bangladesh, Morocco, and the United Kingdom (UK).

With a focus on efficiency and using the latest available technology, GiveDirectly identifies households and informs them that they are eligible for a transfer, helps them register for a digital payments system, sends funds, and follows up with recipients' post-transfer. Transfer sizes vary by project. GiveDirectly exclusively focuses on unconditional cash transfers; therefore, recipients are free to spend on what they need without restriction. Many of GiveDirectly's transfers are made as part of research projects designed to better understand how to optimize the use of cash transfers and answer questions posed by the policy world. Answering these questions help facilitate greater adoption of cash transfers as a policy tool.

GiveDirectly receives donations from private individuals, foundations and governments. Donations from individuals are distributed to recipient households and include the cost of enrolling and following up with households. Foundation grants may be distributed in a similar manner, or may be designated for a more specific use. Cost of administration are funded through indirect allocations to programs funded by both individual and foundation grants. Fundraising activities are funded by unrestricted donations from individual donors or specifically earmarked donations from foundation grants. GiveDirectly also receives federal grants as part of its work in Rwanda, Uganda, Mozambique, Bangladesh, Liberia, Malawi, the DRC, and Morocco.

Basis of Presentation

GiveDirectly prepares its financial statements on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP).

Cash and Cash Equivalents

GiveDirectly considers all highly liquid financial instruments with maturities of three months or less when purchased to be cash equivalents.

Contributions Receivable

GiveDirectly uses the allowance method to record potentially uncollectible receivables. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows if significant. The discounts on those amounts are computed using risk-adjusted interest rates appropriate for the expected term of the promise to give. Amortization of the discount is included in grants and contributions in the accompanying statements of activities.

GIVEDIRECTLY, INC.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2023 and 2022

1. Organization and Summary of Significant Accounting Policies (continued)

Property and Equipment and Related Depreciation and Amortization

Acquisitions of furniture and equipment and eligible internal-use software and website development with an estimated useful life greater than a year and a cost greater than \$1,000 are capitalized at cost. Furniture, equipment, internal-use software and website development are being depreciated using the straight-line method over estimated useful lives of three to five years. Costs incurred in the development of internal-use software are expensed during the preliminary and post-implementation operation stages, including data conversion, training and maintenance costs. Costs incurred during the application development stage of software development are capitalized. Upon the retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is included in revenue or expenses, as appropriate.

Investments

GiveDirectly invests in a professionally managed portfolio. Investments are reported at fair value. Investments in marketable equity securities, fixed income securities and mutual funds are stated at quoted market values. Investments in private equity funds are reported at fair value based on the net asset value (NAV) as determined by the external partnership or fund manager. Fair value is the price that would be received to sell an asset, or paid to transfer a liability through an orderly transaction between market participants at the measurement date. Purchases and sales are reflected on a trade date basis. Interest, dividends and realized gains or losses are recorded when earned. Changes in the fair value of the portfolio are recorded as unrealized gains or losses. Donated investments are recorded as contributions based on their fair value at the date of donation. The investment objective for marketable equity securities, fixed income securities and mutual funds is to preserve capital while generating a modest return to support GiveDirectly's activities.

During 2020, GiveDirectly's investment in Segovia Technology was exchanged for holdings in two newly created companies, Tap-Tap-Send (TTS) and CAB Tech HoldCo Limited (CTHL). The shares of privately held stock are considered to be other investments, as such funds are not traded in an established active market with published values. The shares of privately held stock are equity investments without readily determinable fair value and are not qualified to account for under the equity method. GiveDirectly selects to account for these investments in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 321, *Investments – Equity Securities*, the alternative measurement method, according to which investments are accounted for at cost minus impairment, if any, plus or minus changes resulting from observable price changes in orderly transactions for the identical or a similar investment of the same issuer.

Fair Value Measurement

In accordance with the accounting standards for fair value measurement for those assets and liabilities that are measured at fair value on a recurring basis, GiveDirectly has categorized its applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives

GIVEDIRECTLY, INC.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2023 and 2022

1. Organization and Summary of Significant Accounting Policies (continued)

Fair Value Measurement (continued)

the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest-level input that is significant to the fair value measurement of the instrument.

Applicable financial assets and liabilities are categorized on the basis of inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that GiveDirectly has the ability to access.

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

As of December 31, 2023 and 2022, only GiveDirectly's investments, as described in Note 5 of these financial statements, were measured at fair value on a recurring basis.

Crypto assets held

The crypto assets held by GiveDirectly are accounted for as intangible assets with indefinite useful lives, and are initially measured at the date of donation. Crypto assets accounted for as intangible assets are subject to impairment losses if the fair value of crypto assets decreases below the carrying value at any time during the period. The fair value is measured using the quoted price of the crypto asset at the time its fair value is being measured. Impairment expense is reflected in management and general expenses in the accompanying statement of activities. Impairment losses cannot be recovered for any subsequent increase in fair value until the sale or disposal of the asset.

Classification of Net Assets

The net assets of GiveDirectly are reported as follows:

- Net assets without donor restrictions represent the portion of expendable funds that are available for any purpose in performing the primary objectives of GiveDirectly at the discretion of GiveDirectly's management and the Board of Directors (the Board).
- Net assets with donor restrictions represent funds that are specifically restricted by donors for use in various programs and/or for specific periods of time. These donor restrictions can be temporary in nature in that they will be met by actions of GiveDirectly

or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity. As of December 31, 2023 and 2022, GiveDirectly had no net assets with donor restrictions that are required to be maintained in perpetuity.

Revenue Recognition

Federal government grants are conditional upon certain conditions being met and a right of return and are recognized as these conditions are met. GiveDirectly reports amounts earned and spent within the same year under conditional awards as increases in net assets without donor restrictions.

Unconditional contributions revenue is recognized in the period in which the commitment is made. Contributions revenue is considered to be revenue and support without donor restrictions and available for general operations unless specifically restricted by the donor. GiveDirectly reports contributions revenue as revenue and support with donor restrictions if the contributions received have donor stipulations that limit the use of the donated funds. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Contributions revenue that is restricted by the donor is reported as net assets without donor restrictions if the restrictions expire in the same reporting period in which the contributions are recognized. Unconditional contributions received in the form of stock donations are recorded at fair value at the date of the unconditional contributions and then immediately converted to cash. Net assets for these contributions are based upon the presence or absence of donor imposed restrictions.

Transactions in Foreign Currencies

GiveDirectly conducts many of its programs through offices in foreign countries and, accordingly, transacts in the local currencies of those countries. These foreign currency transactions are translated into U.S. dollars at the appropriate exchange rates when each transaction is executed. The resulting gain or loss is reflected in the accompanying statements of activities as net foreign currency transaction gains or losses. The U.S. dollar is considered the functional and reporting currency of GiveDirectly.

Contributed Services and Goods

GiveDirectly records contributed services at fair value when: (a) the services create or enhance nonfinancial assets, or (b) the services would have been purchased if not provided by contribution, require specialized skills, and are provided by individuals possessing those skills. GiveDirectly had service contributions in the United States related primarily to domestic operations (e.g., advertising, website support and development). GiveDirectly reports all contributed goods at fair value as estimated by management based on donor-provided value and comparable fair value.

1. Organization and Summary of Significant Accounting Policies (continued)

Functional Allocation of Expenses

Costs associated with providing GiveDirectly's programs and other activities have been summarized on a functional basis in the statements of activities, which includes all expenses incurred during each year. The statements of functional expenses present expenses by function and natural classification. Some categories of expense are attributable to more than one activity and require allocation, applied on a consistent basis. Salaries and benefits are allocated on the basis of employee time records. Other expenses are assigned directly to specific activities as expenditures are made.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Inventory

GiveDirectly provides cell phones to some recipients to facilitate their enrollment in a payments platform. Phones that have not yet been distributed to recipients are GiveDirectly's only inventory item. Inventory on hand was \$933,518 and \$1,249,133 at December 31, 2023 and 2022, respectively. Inventory is reported at net realizable value on a first-in, first-out basis.

3. Grants and Contributions Receivable

GiveDirectly has received promises to give from donors as of December 31, 2023 and 2022, that will be received over the course of the next several years. The table below breaks down the grants and contributions receivable by the timeframe in which they will be received. Grants and contributions to be received in over 12 months have been discounted to reflect net present value. Grants and contributions receivable, net at December 31, 2023 and 2022, are deemed fully collectible and due as follows:

	<u>2023</u>	<u>2022</u>
Due within one year	\$ 25,222,623	\$ 50,632,604
Due in one to five years	<u>1,600,000</u>	<u>1,076,667</u>

3. Grants and Contributions Receivable (continued)

GiveDirectly recognized approximately \$10,022,000 and \$64,127,000, respectively, under these conditional grants and contributions. As of December 31, 2023 and 2022, amounts totaling approximately \$24,450,000 and \$10,574,000, respectively, had not yet been recognized under the agreements as the conditions had not been substantially met.

The IKEA “Large Cash Grants for Urban Refugees in Kampala”, G-19080-01390, with project period of December 2019 through November 2023, was awarded for \$800,000 in 2019. During 2022, \$300,000 was received in cash receipts and recognized as revenue for the project. In 2023, there was no revenue received or recorded for this program as there were no outstanding commitments from IKEA on this project as of December 31, 2022.

The IKEA “Supporting Sustainable Livelihoods for Long-Term Refugees in Kenya and Uganda”, G-2209-02216 with a project period of November 1, 2023 through May 31, 2026 was awarded for \$10,000,000 in 2023. During 2023, \$4,500,000 was received in cash receipts and recognized as revenue for the project. As of December 31, 2023, the remaining \$5,500,000 is outstanding as the conditions have not yet been substantially met by GiveDirectly.

Global Innovation Fund awarded GiveDirectly a \$2,100,000 grant in June 2019. In 2019, \$1,200,000 of the grant was received, recognized as revenue, and expended. In 2020, \$800,000 of the grant was received, recognized as revenue, and expended. As of December 31, 2022, the remaining \$100,000 is outstanding as the conditions have not yet been substantially met by GiveDirectly. As of December 31, 2023, no amount is outstanding.

Power on Nutrition (PoN) awarded GiveDirectly a \$2,961,000 grant in December 2021 (Agreement No-14989). In 2021 and 2022, \$1,390,000 of the grant was received, recognized as revenue, and expended. In 2023, \$1,050,000 of the grant was billed and recognized as revenue. As of December 31, 2023 and 2022, the remaining \$521,000 and \$1,571,000 was outstanding as the conditions had not yet been substantially been met by GiveDirectly.

4. Property and Equipment and Related Depreciation

GiveDirectly held the following property and equipment as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>

5. Investments and Fair Value Measurement (continued)

- (a) These investments are measured at NAV or its equivalent as a practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.
- (b) The investment in privately held stocks includes common stocks of private companies and are valued at cost minus impairment, if any, plus or minus changes resulting from observable price changes in orderly transactions for the identical or a similar investment of the same issuer. There was no impairment in the current year.

GiveDirectly used the following methods and significant assumptions to estimate fair value for assets recorded at fair value:

Equities and mutual funds – Valued at the closing price reported in the active market in which the individual securities are traded.

U.S. and foreign government and government agencies obligations – Valued based on current yields, the securities’ terms and conditions, and market activity. Information used includes market sources, credit information, observed market movement and sector news.

Privately held stocks consist of 921,000 shares of stock in CTHL and TTS, related parties described in greater detail in Note 11.

GiveDirectly has included in the tables below the category, fair value, redemption frequency and redemption notice period for those assets whose fair value is estimated using NAV per share or its equivalent for which fair value is not readily determinable as of December 31, 2023 and 2022. For GiveDirectly, such investments include private equity investment fund.

The following table sets forth a summary of GiveDirectly’s investments with a reported NAV as of December 31, 2023 and 2022:

6. Grants Payable

Grants payable represents outstanding commitments to recipients for future cash transfers. The full grant is recognized when the recipient passes through the entire enrollment process. Grants payable are drawn down as the transfers are made to recipients. Grants payable that are expected to be paid in future years are recorded at fair value based on the present value of expected future payments. Most grants payable at December 31, 2023 and 2022, are expected to be paid within 12 months. However, the Basic Income campaign, which is part of the Kenya Campaigns, is structured such that recipients will receive monthly funds over the course of 2-12 years. Grants payable at December 31, 2023 and 2022, were as follows:

	2023	2022

Net Assets Without Donor Restrictions

Net assets without donor restrictions are comprised of the following two categories:

- Board-designated funds for a specific purpose
- Undesignated funds

The Board explicitly designates unrestricted donations for particular programs and activities. The Board has also set a policy such that funds donated without any specific indication as to use, or funds given through GiveDirectly's website where the only options presented to donors are related to cash transfer programming, are spent on recipient transfers and the associated delivery costs. These funds, referred to as Pending Allocation, are treated as without donor restricted donations until the point at which the Board explicitly designates the funds to a specific program. At December 31, 2023 and 2022, there were:

- Net assets designated for specific campaigns in Kenya, Uganda, Rwanda, Liberia, Malawi, DRC, Morocco, Nigeria, Bangladesh, Mozambique and the U.S.
- Net assets designated for use in fundraising.
- Net assets held in reserve to enable GiveDirectly to fund 18 months' salary for key personnel.

8. Commitments and Risks

Concentration of Credit Risk

GiveDirectly's cash and cash equivalents are composed of amounts in accounts at various financial institutions. While the amount, at times, exceeds the amount guaranteed by the Federal Deposit Insurance Corporation (FDIC) and, therefore, bears some risk, GiveDirectly has not experienced, nor does it anticipate, any loss of funds. As of December 31, 2023 and 2022, the amount in excess of the FDIC insured limit was approximately \$86,810,000 and \$112,779,000, respectively. As of December 31, 2023 and 2022, GiveDirectly maintained approximately \$11,960,000 and \$21,175,000, in accounts at non-U.S. financial institutions.

GIVEDIRECTLY, INC.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2023 and 2022

8. Commitments and Risks (continued)

Concentration of Risk

For the year ended December 31, 2022, GiveDirectly received contributions of approximately \$73,000,000 from two donors, which represents 42% of the total revenue and support recognized. For the year ended December 31, 2023, there was no revenue concentration.

Foreign Operations

GiveDirectly has operations in Kenya, Uganda, Rwanda, Liberia, Malawi, Mozambique, the DRC, Morocco, and the United Kingdom (UK) for the purpose of providing direct transfers to the extremely poor. The future results of these programs could be adversely affected by a number of potential factors, such as currency devaluations or changes in the political climate.

As of December 31, 2023 and 2022, GiveDirectly had cash, investments and net property and equipment in these countries totaling \$27,475,980 and \$27,914,615, respectively, representing approximately 13.5% and 11.6% of GiveDirectly's total assets as of December 31, 2023 and 2022, respectively.

Compliance Audit

GiveDirectly has received federal and non-federal grants that are subject to review, audit and adjustment by various federal and non-federal agencies for qualified expenses charged to the grants. Such audits could lead to requests for reimbursement to the federal agencies for any expenditures or claims disallowed under the terms of the agreements. The amount of expenditures which may be disallowed by the federal and non-federal agencies cannot be determined at this time, although GiveDirectly expects such amounts, if any, to be insignificant.

Operating Lease Commitments

GiveDirectly has leased office space under cancellable leases in most of the countries it operates in, the last of which expires in February 2027. Total rent expense for the years ended December 31, 2023 and 2022, was \$808,480 and \$899,219, respectively.

9. Availability and Liquidity

GiveDirectly regularly monitors liquidity required to meet its annual operating needs and other contractual commitments, while also striving to preserve the principal and return on the investment of its funds. As of December 31, 2023 and 2022, GiveDirectly's financial assets available within one year of the statement of financial position date for general expenditures were as follows:

	<u>2023</u>	<u>2022</u>

Financial Assets Available to Meet General Expenditures Within One Year	<u>\$ 129,922,088</u>	<u>\$ 183,154,548</u>

GiveDirectly has various sources of liquidity at its disposal, including cash and cash equivalents and investments, which are available for general expenditures, liabilities and other obligations as they come due. Management is focused on sustaining the financial liquidity of GiveDirectly throughout the year. This is accomplished through monitoring and reviewing GiveDirectly's cash flow needs on a regular basis. As a result, management is aware of GiveDirectly's cash flow needs and is, therefore, able to ensure that there is cash available to meet current liquidity needs.

10. Income Taxes

GiveDirectly is exempt from the payment of income taxes under Sections 501(c)(3) of the Internal Revenue Code. As such, GiveDirectly is taxed only on their net unrelated business income. No provision for income taxes is required for the years ended December 31, 2023 and 2022, as GiveDirectly had no net unrelated business income. In addition, some of the foreign operations of GiveDirectly are subject to local income tax in the jurisdictions in which they operate.

GiveDirectly follows the authoritative guidance relating to accounting for uncertainty in income taxes included in Financial Accounting Standards Board Accounting Standards Codification Topic 740, *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. GiveDirectly performed an evaluation of uncertainty in income taxes for the years ended December 31, 2023 and 2022, and determined that there were no matters that would require recognition in the financial statements or that may have any effect on its tax-exempt status. As of December 31, 2023 and 2022, the statute of limitations remained open with the U.S. federal jurisdiction or the various states and local jurisdictions in which GiveDirectly files tax returns. However, no examinations are currently pending or in progress. It is GiveDirectly's policy to recognize interest and/or penalties related to uncertainty in income taxes, if any, in interest or income tax expense.

11. Related Party Transactions

Segovia Technology Co. (Segovia) was formed by two common Board members and co-founders of GiveDirectly. Segovia builds software to manage the logistics of payments distribution in the developing world, so that governments, non-profits and others can more effectively implement cash transfers and other social protection programs.

Effective March 16, 2015, GiveDirectly purchased 921,500 shares of Segovia common stock at \$0.0001 par value per share, leading to an aggregate purchase price of \$92.15. GiveDirectly acquired the shares for a nominal cash contribution, as is standard practice for the distribution of initial shares of a new company. GiveDirectly transferred voting rights in these shares back to two proxyholders who are founders of Segovia, as part of an arrangement in which those founders donated economic interest in those shares to GiveDirectly but retained voting rights.

On March 26, 2019, Segovia and Crown Agents Bank (CAB) agreed to merge, forming CTHL and spinning out of a part of Segovia as a separate company, TTS (the payment system continued to be referred to as Segovia). As part of the merger and spin off, GiveDirectly's shares in Segovia were exchanged for 202,681 shares in CTHL and 921,500 shares in TTS. Independent valuations were performed on each of these entities. For the year ended December 31, 2022, the CTHL/TTS investment was valued at \$2,563,980. During the year ended December 31, 2023, all shares were sold.

TTS charges GiveDirectly a fixed percentage of grant transfers for software services. TTS also charges GiveDirectly a sending fee for each transfer distributed to each recipient through their payment gateway. For the years ended December 31, 2023 and 2022, TTS sending fees totaled \$559,589 and \$741,096, respectively and have been reflected in program services on the statement of activities.

During 2023 and 2022, TTS also shared one employee with GiveDirectly, who provided administrative support. For the years ended December 31, 2023 and 2022, a salary allocation for this employee of \$27,563 and \$36,750, respectively was billed to TTS by GiveDirectly, of which \$0 and \$3,063 was unpaid as of December 31, 2023 and 2022, respectively. The unpaid portion is included in the accompanying statements of financial position as due from related party.

In 2017, GiveDirectly began using TTS's payment gateway for delivery of cash transfers to the recipients in East Africa. For the years ended December 31, 2023 and 2022, the amount of funds that GiveDirectly held with TTS that had not yet been disbursed by TTS to the recipients totaled \$3,146,267 and \$4,483,516, respectively. These amounts are included in the accompanying statements of financial position as due from related party.

Effective October 28, 2015, an entity was established in the United Kingdom (GiveDirectly UK) for the purpose of fundraising in the United Kingdom for the prevention or relief of poverty anywhere in the world. GiveDirectly does not control or direct any of the activities of GiveDirectly UK. However, the co-founder of GiveDirectly is one of three members of the Board of Directors of GiveDirectly UK. During 2023 and 2022, GiveDirectly received \$4,162,671 and \$2,900,790, respectively, from GiveDirectly UK.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2023 and 2022

11. Related Party Transactions (continued)

On December 21, 2016, GiveDirectly was registered under the Companies Act 2006 as having established a UK establishment in the United Kingdom. This is a branch of GiveDirectly and a separate entity from GiveDirectly UK, and consists of five UK employees involved primarily in fundraising and programmatic operational work. The assets, liabilities, revenue, and expenses associated with the UK entity are included in these financial statements.

12. Reclassifications

Certain items in the December 31, 2022, comparative information have been reclassified to conform to the December 31, 2023, financial statement presentation. The reclassifications had no effect on the previously reported change in net assets or net assets.

13. Subsequent Events

In preparing these financial statements, GiveDirectly has evaluated events and transactions, for potential recognition or disclosure, through September 20, 2024, the date the financial statements were available to be issued. There were no subsequent events identified that require recognition or disclosure in the financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
GiveDirectly, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of GiveDirectly, Inc. (GiveDirectly), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 20, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered GiveDirectly's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of GiveDirectly's internal control. Accordingly, we do not express an opinion on the effectiveness of GiveDirectly's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as item 2023-001 that we consider to be material weaknesses.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether GiveDirectly's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as item 2023-001.

GiveDirectly's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on GiveDirectly's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. GiveDirectly's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of GiveDirectly's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering GiveDirectly's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
GiveDirectly, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited GiveDirectly, Inc.'s (GiveDirectly) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on GiveDirectly's major federal program for the year ended December 31, 2023. GiveDirectly's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, GiveDirectly complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of GiveDirectly and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of GiveDirectly's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to GiveDirectly's federal program.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on GiveDirectly's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about GiveDirectly's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding GiveDirectly's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of GiveDirectly's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of GiveDirectly's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our

audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended December 31, 2023**

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (SEFA) includes the federal award activity of GiveDirectly under programs of the federal government for the year ended December 31, 2023. The information on the SEFA is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the SEFA presents only a selected portion of the operations of GiveDirectly, it is not intended to and does not present the financial position, changes in net assets, or cash flows of GiveDirectly.

2. Summary of Significant Accounting Policies

Expenditures reported on the SEFA are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. Indirect Cost Rate

GiveDirectly has elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

SECTION II – FINANCIAL STATEMENT FINDINGS

Finding No. 2023-001: Revenue Recognition – Material Weakness in Internal Control

Criteria

Conditional contributions should be recognized as revenue and support in the period the conditions are met, for GiveDirectly, on the occurrence of allowable expenses.

Condition

In the prior year, the organization recognized expenses for the committed transfers but failed to recognize the corresponding revenue and receivable in the amount of \$4,103,746. The revenue was subsequently recognized in the current year. Since the amount was not material, a prior period adjustment was waived.

Cause

Revenue was not recognized due to misinterpretation of accruing the revenue and receivables based on transfers made rather than when the conditions were met.

Effect

Beginning net assets were understated and current year revenue is overstated.

Recommendation

We recommend that GiveDirectly review all conditional grants in detail to ensure revenue is recognized based on satisfying the conditions for the grants.

SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

None required to be reported.

SECTION IV – SUMMARY OF PRIOR AUDIT FINDINGS

Financial Statement Audit Findings

Finding No. 2022-001: Fraud – Material Weakness in Internal Control

The finding was fully remediated and was not repeated in 2023.

Finding No. 2022-002: Revenue Recognition – Material Weakness in Internal Control

The finding was repeated in 2023.

Finding No. 2022-003: Financial Close Process – Material Weakness in Internal Control

The finding was fully remediated and was not repeated in 2023.

Cognizant or Oversight Agency for Audit: Department of Treasury and the United States Agency for International Development

GiveDirectly, Inc. (GD) respectfully submits the following corrective action plan for the year ended December 31, 2023.

Finding No. 2023-001: Revenue Recognition – Material Weakness in Internal Control

Recommendation

We recommend that GiveDirectly review all conditional grants in detail to ensure revenue is recognized based on satisfying the conditions for the grants.

Views of Responsible Officials and Planned Corrective Actions

1. Revenue Recognition Policy

Action: We have revised the revenue accounting policy to align it with the relevant accounting standards (e.g. US GAAP and Uniform Guidance)

Responsibility: Carolina Toth, Chief of Staff to the President & Grace Mwhia, Accounting Director

Timeline: Work in progress. This will be finalized by the controller. 1 month

2. Staff training and education

Action: Develop and implement a training program for finance, fundraising, and technology teams on the revamped revenue accounting policy.

Responsibility: Grace Mwhia, Accounting Director

Timeline: 3 months

3. Hiring staff with revenue recognition expertise

Action: We have hired an experienced controller with skills and expertise in revenue recognition per US GAAP and Uniform Guidance. The controller will lead efforts to review all open contracts.

Responsibility: Carolina Toth, Chief of Staff to the President

Timeline: Complete

4. Implementation of the new revenue accounting policy

Action: Review all conditional contracts, document rationale for revenue recognition, and correct any instance of improper revenue recognition.

Responsibility: Grace Mwihia, Accounting Director with support from the controller.

Timeline: 3 months
