*with external third parties

High-precision metal forming, welding and assembly expert

Helmut Rübsamen GmbH & Co. KG offers its customers the complete spectrum of forming technology and is among the few companies in Germany with expertise in metal spinning alongside punching, drawing and forming. For more than 60 years, Rübsamen has been supplying companies from all key sectors of European industry with individually manufactured components and welded assemblies made of steel, stainless steel and aluminum. Around 300 employees work at the two production sites in Bad Marienberg, Germany, covering a range of tasks such as development, toolmaking and production.
